I. INTRODUCTION

This case centers around the "Park Ridge Falcons" mark, which Park Ridge Sports, Inc. ("Park Ridge Sports") has used since 1970 as the moniker for its tackle football teams that travel to play other communities' teams.

On October 23, 2020, the Court entered an Order that denied Park Ridge Sports' Motion for a Preliminary Injunction, which requested the Court to enjoin Defendants from using that mark and marks similar to it. Doc. 68. That denial was buttressed by two holdings: (1) Park Ridge Sports' chances of succeeding on the merits of its Lanham Act claim were "not very good" because Park Ridge Sports had not presented evidence showing that (a) it had used the Park Ridge Falcons mark in such a way that the public segment seeking out its services would identify the mark as belonging to it and (b) that that public segment was actually confused by Defendants' use of the mark; (2) Park Ridge Sports would not be irreparably harmed should the Court not enjoin the Defendants from using the Park Ridge Falcons mark because (a) irreparable harm is not presumed upon a showing of a likelihood-of-success on the merits in trademark cases and (b) Park Ridge Sports had not presented evidence showing that Defendants' use of the mark's reputation. *Id.* at 7–10.

Park Ridge Sports now brings this Second Motion for a Preliminary Injunction. a seismic change in the law and new evidence that could have only been revealed through discovery and as a direct result of Defendants' use of the mark following the Court's Order:

- The Trademark Modernization Act of 2020 became law. Per it, trademark movants are now entitled to a rebuttable presumption of irreparable harm upon showing a likelihood-of-success on the merits.
- The state of Illinois lifted the COVID-19 restrictions on tackle football, which means Park Ridge Sports and Defendants can now offer tackle football in Park Ridge. In the fall of 2020, Park Ridge Sports did not offer tackle football as it adhered to the restrictions. Defendants, skirting them, based their tackle football team in Indiana.

Case: 1:20-cv-02244 Document #: 97 Filed: 09/23/21 Page 7 of 39 PageID #:1511

- Discovery has revealed Defendants' intent to palm off the Park Ridge Falcons' mark as their own. For example, Defendant Walbert admitted during his deposition that Defendants named their football team what they did "because they are the historic Travel Falcon program."
- Park Ridge parents are now confused as to the state of the Park Ridge Falcons mark. For instance, one parent wanted to sign their child up for the "original" Park Ridge Falcons but had wrongly signed their child up for the "new offshoot."

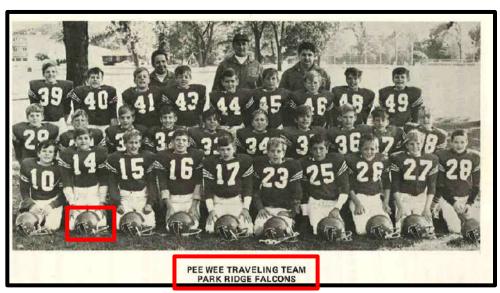

The change in the law and the new evidence discussed, in full, below drastically alter the Court's preliminary injunction analysis and heavily favor granting the requested relief. The new evidence supports that Park Ridge Sports has a very strong chance of succeeding on the merits because the new evidence shows (a) that the relevant public segment has identified the Park Ridge Falcons mark as belonging to Park Ridge Sports and (b) that they are now confused by Defendants' use of that mark. Given that and the new law, Park Ridge Sports is entitled to a presumption of irreparable harm. Additionally, the new evidence independently shows that Park Ridge Sports will be irreparably harmed if the presumption is somehow rebutted.

For these reasons, the Court should grant this motion and enjoin all the Defendants from using the "Park Ridge Falcons," "Park Ridge Travel Falcons," "PR Falcons," or any similar or derivative marks.

II. FACTUAL BACKGROUND

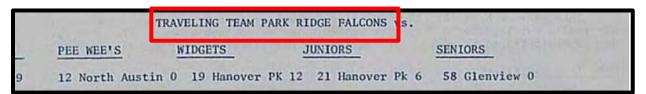

A. The "Park Ridge Falcons" mark has belonged to Park Ridge Sports since 1970.

Park Ridge Sports first adopted that mark in 1970 as the name for its football teams that travel to play other communities' teams. It has not quit using that mark in that way since then:

B. The Park Ridge Falcons mark has substantial goodwill and a valuable reputation.

As shown, the Park Ridge Falcons mark has—for over 50 years—identified the travel tackle football program whose home base is Park Ridge, Illinois. That reputation and goodwill flows directly from Park Ridge Sports' efforts—such as attaining agreements with the Park Ridge Park District¹⁵—to ensure that its Park Ridge Falcons teams have a place to practice¹⁶ in Park Ridge. Because of those efforts, the Park Ridge Falcons mark has signaled a travel tackle football team that is based in Park Ridge.

Additionally, the Park Ridge Falcons mark carries with it the reputation and goodwill resulting from Park Ridge Sports' prohibition on cutting players from Park Ridge Falcons teams. Because of this prohibition, the Park Ridge Falcons mark has identified a travel tackle program that guarantees a place to play for all who register.

The Park Ridge Falcons mark also has the reputation and goodwill stemming from Park Ridge Sports sustaining its Park Ridge Falcons program for 50-plus years.¹⁷ By doing so, Park Ridge Sports has built the Park Ridge Falcons mark into one that identifies a travel tackle football team with a long lineage of notable participants, including some of the Defendants.¹⁸

Further, the Park Ridge Falcons mark has the reputation and goodwill ensuing from Park Ridge Sports' strict adherence and enforcement of all rules governing player and coach conduct. By way of example, when Park Ridge Sports received a report that Defendant Jamie Purcell had been involved in a physical on-field altercation during a Park Ridge Falcons game, Park Ridge Sports immediately investigated the situation. Upon receiving a video of the incident¹⁹ and investigating the matter, Park Ridge Sports suspended Defendant (then coach) Purcell for the first game of the 2020 fall season for violating both Park Ridge Sports'²⁰ and the United Youth Football League's ("UYFL")²¹ rules for coaches' conduct. Through this strict adherence and enforcement of conduct rules, the Park Ridge Falcons mark has become affiliated with a travel tackle football team that places an emphasis on upmost sportsmanship.

Finally, the Park Ridge Falcons mark has the reputation and goodwill created by Park Ridge Sports' persistency in maintaining affiliations with other community organizations, such as the Park Ridge Park District, which has for years agreed to provide Park Ridge Sports with

preferred use of its fields, equipment, and buildings.²² In this way, the Park Ridge Falcons mark identifies a travel tackle football team with access to some of the community's finest facilities.

C. Park Ridge Sports has always controlled the Park Ridge Falcons.

Numerous budget reports,²³ Board meeting minutes,²⁴ and tax filings,²⁵ confirm that Park Ridge Sports has always controlled the operations of its Park Ridge Falcons teams. In fact, prior to January 2015, Park Ridge Sports two tackle football programs—the Park Ridge Falcons program and the "house" program (more about this program below)—each had their own management boards, but these boards shared "one oversight board under Park Ridge Sports."²⁶ As even Jim Dihu, former Park Ridge Sports Board member and coach of the Park Ridge Falcons, stated: "[American Youth Football] understand[s] that Park Ridge Sports is the affiliate and that both the Falcons and House League operate under this board."²⁷

D. Park Ridge Sports has not offered a house program since 2018.

Park Ridge Sports has sometimes offered a "house" program in addition to its Park Ridge Falcons program.²⁸ Like the Park Ridge Falcons teams, teams that play in this house program also play tackle football.²⁹ The teams in the two programs differ, however, in that the house program teams only play against each other³⁰ and never travel to play other communities' teams. To be clear, under this "house" program, Park Ridge Sports supports a league for only its non-Park Ridge

Falcons teams to play in and against each other. Park Ridge Sports has not offered its house program since 2018.³¹ Consequently, all Park Ridge Sports teams since 2018 have been Park Ridge Falcons teams playing travel tackle football.

E. Park Ridge Sports offered a "co-op" house/travel program in 2018 and did not use the Park Ridge Falcons mark for these teams' names.

While Park Ridge Sports did not offer a house program in 2018, it did offer a tackle football program that had a house and a travel component. Teams in this "co-op" program played each other, in Park Ridge, on those weekends where they were not travelling out of town to play against teams in the Central Suburban Youth Football League ("CSYFL").³² Since these hybrid teams were not fully travel teams, Park Ridge Sports did not use the Park Ridge Falcons mark for those teams' names. Instead, Park Ridge Sports called these teams other NFL mascot names (*e.g.*, Steelers, Saints, Broncos, and Ravens).³³ The hybrid program was offered in addition to the Park Ridge Falcons program.

F. Park Ridge Sports joined the CSYFL in 2019.

Due to the success of its co-op program with the CSYFL, Park Ridge Sports decided to join that league in 2019 (rather than just playing games against the CSYFL teams). As a result, Park Ridge Sports now had two travel tackle football programs: one played in the CSYFL and the other played in the UYFL.³⁴ Recognizing that, the Park Ridge Sports Board put to a vote whether to call the CSYFL teams the Park Ridge Falcons, too.³⁵

The "[v]ote was by roll call and passed by an overwhelming majority with 2 abstentions."³⁶ Importantly, the Board agreed that the differences between the two programs would "not include or allow calling one team competitive and the other development, or A vs B, etc."³⁷ As points of reference, Park Ridge Sports sometimes referred to the Park Ridge Falcons teams competing in the CSYFL as "North Suburban," "CSYFL," or "D2" and the Park Ridge Falcons teams competing in the UYFL as "Northern Illinois," "UYFL," or "D1."³⁸

G. Park Ridge Sports consolidated its two Park Ridge Falcons programs in 2020.

Heading into the fall 2020 season, the Park Ridge Sports Board considered whether to consolidate its two Park Ridge Falcons programs into one program and, if so, which program. That discussion came to a head on March 18, 2020, when the Park Ridge Sports Board voted on whether to have one Park Ridge Falcons program that would compete in the CSYFL.³⁹ The final vote was 8-4 in favor of consolidation.⁴⁰ Defendants Purcell, Timothy Walbert, and Lou Karnezis were three of the four dissenters. The fourth dissenter was Joe Capesius.

H. Defendants conspire to create their own travel tackle football program and begin their relentless campaign to make the Park Ridge Falcons mark their own.

A month before the vote and while still Board members and coaches, Defendants Purcell, Walbert, Karnezis, and Kilburg all conspired to start their own football program if the vote didn't turn out the way they wanted it to. As Defendant Karnezis confirmed during his testimony as the Park Ridge Travel Falcons Corporate Representative, those four met in February of 2020 to discuss

forming an entity called the Park Ridge Travel Falcons.⁴¹ In fact, in an email dated February 10, 2020, Defendant Kilburg then expressed his belief that the UYFL/D1 Park Ridge Falcons teams should be an "**elite**" team because, according to him, Park Ridge "needs" such a team or else "someone will come in and create one."⁴²

And that's exactly what Defendants did. Just nine days after the consolidation vote, on March 27, 2020, Defendants immediately put their misappropriation plan into action. On that day, Defendant Purcell filed a federal trademark application for the "Park Ridge Falcons" mark and two similar marks: "Park Ridge Travel Falcons" and "PR Falcons."⁴³ Following Defendant Purcell's lead, Defendant Walbert sent a solicitation email that same day to the parents of Park Ridge Falcons players who he had coached the previous season.⁴⁴ In that email he revealed Defendants' new football program: the "Park Ridge Travel Falcons," which (in remarkably quick timing) already had a website, a logo, and jersey designs.⁴⁵ Unabashedly, Walbert portrayed this 9-day old team as being a continuation of the Park Ridge Falcons team that he had coached the year prior, writing that Defendants were "thrilled to continue to offer D1 travel youth football in Park Ridge!"⁴⁶

When asked about that under oath, Defendant Walbert explained that while Defendants could have called their new football team anything other than the Falcons, that would have defeated the whole purpose. According to Defendant Walbert, the whole purpose for naming their football program the Park Ridge Travel Falcons was because that team is the storied Park Ridge Falcons program: "We called the team the Park Ridge Travel Falcons because they are the historic Travel

Falcon program and that's what the name is."⁴⁷ This echoed what Defendant Walbert had earlier stated in an email to the parents of former Park Ridge Falcons players, where, with much excitement, he falsely stated: "We are thrilled to to offer D1 travel youth football in Park Ridge!"⁴⁸

Interestingly, Defendant Purcell opted to take a slightly different approach to that issue during the forefront of his personal deposition. He first repeatedly contended that he chose to name Defendants' new team the Falcons simply because he wanted it and liked it:⁴⁹

Q. Why did you want the Falcons?
A. Just because I wanted it.
Q. [W]hat was going through your head about why you wanted the name Falcons?
A. I just like the name.
Q. Because why?
A. Because I like the name.
Q. Because you were a Falcon?
A. No, I just like the name.

Tellingly, however, he also testified that same day that he wanted to continue offering

travel tackle football in Park Ridge because he had assumed (despite being a Board member who

voted on a <u>consolidation</u> vote) that there would be no more travel tackle football in Park Ridge:⁵⁰

Q. Okay. So is it possible that perhaps you made a mistake when you signed this service mark application that nobody else had been using this mark when you applied for trademark registration?

A. No. I could just say that when the board decided not to do travel football, that I wanted to continue travel football in Park Ridge.

. . .

Q. Why did you pick that name on the exact same day that you resigned from the Park Ridge board after the vote to consolidate the two Park Ridge Falcons teams? How did you come up with that name, sir?

A. The Park Ridge Travel Falcons or Park Ridge Falcons?

Q. Let's do Falcons first. Park Ridge Falcons. Why did you --**A**. Because I assumed after that meeting on March 18th, they were no longer going to have travel football in Park Ridge.

I. Defendants have continued to misappropriate the Park Ridge Falcons mark and have continued to falsely claim that Park Ridge Sports is only a house league.

Since their initial acts of misappropriation, Defendants have continued to falsely portray

their program as being the sole continuation of the Park Ridge Falcons program:

- On June 3, 2020, Defendants bragged about the success of the Park Ridge Falcons team from 2019, portraying it as their own.⁵¹
- On June 19, 2020, Defendant Kilburg posted a video to the Park Ridge Travel Falcons' Facebook page and accurately claimed that he and other Board members resigned after the consolidation vote.⁵² He falsely stated, however, that the Park Ridge Travel Falcons would be offering the same travel tackle football program that, in his words, had been offered to the Park Ridge community for "decades and decades."⁵³ He continued, "we're excited to continue the legacy and tradition."⁵⁴ Defendants' caption for that Facebook video cites a link to <u>Park Ridge Sports'</u> website and directs parents to it if they are "[1]ooking for house league tackle football or flag football[.]"⁵⁵
- On September 30, 2021, Defendants posted an Instragram photo that showed one of their coaches wearing a 2002 Park Ridge Falcons jacket with this caption: "Loved seeing the 2002 National Champions Falcons jacket tonight that was earned at the National Championship in Florida by an #elite team! Thanks Coach for speaking to our 4 #D1 Falcon teams & further explaining the deep tradition of Travel football in Park Ridge!!"⁵⁶
- On December 23, 2020, Defendants posted this photo to their Facebook page, claiming that the "4 decades" of former Falcons players supposedly shown in the photo reflected the "Factually Correct Tradition of Park Ridge Elite Football," which was "fortunately still alive and thriving in Park Ridge"⁵⁷

- In January 2021, a parent left a Google review for the Park Ridge Travel Falcons. She referred to them as the "Park Ridge Falcons Team." Defendants responded to her but did not correct her misstatement.⁵⁸
- As of September 22, 2021, the Park Ridge Travel Falcons' Yelp! page contains a picture of a 2019 Park Ridge Falcons team and has this caption for it: "Park Ridge Travel Football 2019 winning team."⁵⁹ Again, the Park Ridge Travel Falcons were not in existence in 2019.
- As of September 22, 2021, the Google description that Defendants wrote for the Park Ridge Travel Falcons claims that they are the "Park Ridge Falcons."⁶⁰

Defendants have furthered these acts of misappropriation with false advertising that conveys Park Ridge Sports as only being a house league. In fact, one of the most often used Instagram hashtags that Park Ridge Travel Falcons uses is "#NotHouseLeague."⁶¹ Its Instagram description even includes it.⁶²

In addition, even when it's not being thrown around in a hashtag, the slogan "not house league" still manages to find its way into a Park Ridge Travel Falcons Instagram post. In this post, for instance, Defendants welcomed 3rd, 4th, and 5th grade students "to come out for evaluations," and made clear that their program "is not house league" and is "for kiddos that want to play real competitive Travel #D1 football."⁶³

Similarly, on July 10, 2021, Defendants announced their forthcoming "Evaluations" and declared that they were "not house league" but were instead "#elite travel football."⁶⁴ Ten days later, Defendants flat out told Park Ridge parents that if things don't "work out for your athlete" during Defendants' "evaluations" to "play in #PopWarner," they should consider "play[ing] in the Park Ridge local house or flag league."⁶⁵

J. Defendants have caused confusion in the Park Ridge community.

For instance, people are now confused as to whether Defendants or Park Ridge Sports

offers the historic Park Ridge Falcons program:

- One community member asked the Park Ridge Travel Falcons on its Facebook page whether it was "the original Park Ridge football or the one . . . just started."⁶⁶ She added, "I'm so confused."⁶⁷
- On March 29, 2021, a parent emailed Park Ridge Sports because she wanted her son to play for a Park Ridge Falcons team but believed she may have signed him up for the wrong team.⁶⁸ In her words, she did not want her son "to play on the other team"⁶⁹ but had been "deceived" into signing him up for it.⁷⁰ She added that she was "beyond upset that there were two teams in the same town with the same name."⁷¹
- On April 12, 2021, another parent emailed Park Ridge Sports believing that she had "signed up to do the wrong team."⁷² She had just found out that her son "didn't make the team" and asked if "park ridge falcons have a house league that [she] c[ould] get him into for the spring?"⁷³ That same parent later wrote: "I wish it would have been made known that the team had tryouts and not everyone was going to make it. I invested in football cleats, mouth guard etc. and now I have no use for them. Unfortunately my son is 14 and will be in high school come this Fall. I have a really disappointed kid. Any idea of anywhere else I could sign home up? I should have know[n] when his friend kept saying things that didn't match where he was originally. Two of the same names and different leagues."⁷⁴

The confusion doesn't stop there. In addition, Defendants have also caused the community

so much confusion that parents not only now sign their kids up for the wrong teams, they also

don't even realize that the two teams aren't one and the same—until Park Ridge Sports tells them

that they aren't:

• On March 20, 2021, one parent reached out to Park Ridge Sports, stated that she had signed her son up for "PR Tackle football," even though she had actually signed her son up for the Park Ridge Travel Falcons.⁷⁵

- On April 13, 2021, another parent reached out to Park Ridge Sports and stated that she "was unaware that there [were] two falcons teams in Park Ridge. Extremely confusing. I know it's not your fault."⁷⁶
- On July 14, 2021, another parent asked Park Ridge Sports some questions about tackle football. Unable to tell the difference between Park Ridge Sports' program and Defendants' program, this parent couldn't understand why there were two websites for the "Falcons program": "There seem to be two website for the Falcons program www.prtravelfalcons.com and www.parkridgefootballandcheer.com and they have different rates, one is \$295 and the other is \$495. What is the difference?"⁷⁷
- On Jul 25, 2021, one more parent mistakenly asked Park Ridge Sports (intending to ask Defendants) whether it was having evaluations that week.⁷⁸

III. PROCEDURAL HISTORY

This trademark dispute first became litigious on April 3, 2020 (or less than 2 weeks after the consolidation vote did not go Defendants' way). It was then that Defendants—via letter with a draft Complaint attached to it—threatened legal action against the Park Ridge Park District and Rob Leach, a member of the Park Ridge Sports Board and member of the Park Ridge Park District. Tellingly, Defendants did not state (as they do now) that they had resigned from the Park Ridge Sports Board because they believed the consolidation vote was, in actuality, a vote to get rid of the Park Ridge Falcons.⁷⁹ Far from it, Defendants' position in that letter was that their disagreement "as to how to handle the travel football team" is what led them to resign from the Park Ridge Sports Board and to establish their football team, the Park Ridge Travel Falcons.⁸⁰ Defendants then explained that they had "applied for a trademark related to the Falcons mascot" and, on that basis and despite that application still being under review, demanded written recognition within seven

days that the Park Ridge Travel Falcons "have exclusive use of the 'Falcons' name, based upon the trademark application."⁸¹

Rather than rollover and give up the mark that has belonged to it for decades, Park Ridge Sports filed this action against Defendants under § 43 of the Lanham Act. Park Ridge Sports did not immediately move for a preliminary injunction because at the time it was considering doing so it was highly uncertain whether Defendants or Park Ridge Sports would even be able to provide a tackle football team in Illinois that season. As Park Ridge Sports wrote in its Reply brief: "[O]n July 29, the State of Illinois issued guidance classifying football as a 'highrisk' activity and limiting football activities to no contact practices and trainings." Doc. 53, at 9. Notably, Defendant Purcell acknowledged in his deposition that that ban on tackle football in Illinois is why Defendants had been hosting home games in Indiana.⁸²

The Court referred the preliminary injunction motion to Magistrate Judge Cole, who, after briefing but no argument, recommended that it be denied. The Court agreed.

The discovery period has ended, and trial is set for March of 2022.

IV. LEGAL STANDARD

To attain a preliminary injunction, the movant must show: (1) its claim has some likelihood of succeeding on the merits; (2) it will suffer irreparable harm in the interim period prior to final resolution of its claims; and (3) traditional legal remedies would be inadequate. *Valencia v. City of Springfield*, 883 F.3d 959, 965 (7th Cir. 2018) (citation omitted). Should the movant make this showing, the Court then must weigh the irreparable harm that the moving party would endure without the protection of the preliminary injunction against any irreparable harm the nonmoving party would suffer if the court were to grant the requested relief. *Id.* (same).

⁸² Exhibit 5, Purcell Deposition, at 85:2-20.

V. ARGUMENT

A. Park Ridge Sports has a very strong chance of succeeding on the merits of its Lanham Act claim.

To succeed on the merits of its Lanham Act claim at trial, Park Ridge Sports will have to show that the Park Ridge Falcons mark is protected under the Lanham Act and that Defendants' use of that mark can cause confusion among consumers. *See Barbecue Marx, Inc. v. 551 Ogden, Inc.*, 235 F.3d 1041, 1043 (7th Cir. 2000). For present purposes, however, Park Ridge Sports need only show that it has a better than negligible chance of succeeding on those two elements. *Ty, Inc. v. Jones Group*, Inc., 237 F.3d 891, 897 (7th Cir. 2001).

i. Adoption and use

To establish appropriation of the Park Ridge Falcons mark, Park Ridge Sports must first show when it adopted that mark. *Johnny Blastoff, Inc. v. L.A. Rams Football Co.*, 188 F.3d 427, 433 (7th Cir. 1999). After that, it must then show that it used the mark "in a way sufficiently public to identify or distinguish the marked goods in an appropriate segment of the public mind as those of the adopter of the mark." *Id.* at 433–34 (cleaned up). "For the purpose of establishing public identification of a mark with a product or service, the fact-finder may rely on the use of the mark in 'advertising brochures, catalogs, newspaper ads, and articles in newspapers and trade publications,' . . . as well as in media outlets such as television and radio." *Id.* at 434 (quoting *T.A.B. Systems v. Pactel Teletrac*, 77 F.3d 1372, 1375 (Fed. Cir. 1996), and citing *In re Owens–Corning Fiberglas Corp.*, 774 F.2d 1116, 1125 (Fed. Cir. 1985)).

From 1970 through now, the constant staple in Park Ridge Sports' sports offerings has been its travel tackle football teams, all of which it has called the "Park Ridge Falcons." In addition to the direct evidence detailed in Section II.A, Defendant Kilburg acknowledged in his February 10, 2020 email, discussed above, that the Park Ridge Falcons program has been around for 50-plus

Case: 1:20-cv-02244 Document #: 97 Filed: 09/23/21 Page 25 of 39 PageID #:1529

years.⁸³ Worse still, Defendant Walbert made that acknowledgement twice in his May 31, 2020 solicitation email: (1) "the Falcons D1 travel program . . . has been offered in this community for over 50 years" and (2) "[t]he resigned board members . . . felt strongly that the community of Park Ridge should continue to have a D1 travel football offering like it has for the past 50+ years."⁸⁴

ii. Confusion

The key factors—especially the "particularly important" ones—support that Defendants' use of the Park Ridge Falcons mark is likely to cause (and has caused) confusion among consumers. The pertinent factors include the (1) similarity between the marks in appearance and suggestion; (2) similarity of the products; (3) area and manner of concurrent use; (4) degree of care likely to be exercised by consumers; (5) strength of the complainant's mark; (6) actual confusion; and (7) intent of the infringing party to "palm off" his product as that of the other party. *See Johnny Blastoff*, 188 F.3d at 433 (listing factors). The "particularly important factors" are "the similarity of the marks, the defendant's intent, and actual confusion" *Barbecue Marx, Inc. v. 551 Ogden, Inc.*, 235 F.3d 1041, 1044 (7th Cir. 2000).

1. Similarity between the marks in appearance and suggestion.

Defendants use three marks to describe their travel tackle football teams: Park Ridge Falcons, Park Ridge Travel Falcons, or PR Travel Falcons. Those three marks are either identical or similar to the Park Ridge Falcons mark.

a. Park Ridge Falcons v. Park Ridge Falcons

Both Park Ridge Sports and Defendants use the Park Ridge Falcons mark to identify their travel tackle football teams. The Google description that Defendants provide for the Park Ridge

 ⁸⁴ Exhibit 47 at PRSI15096.

²⁵

Case: 1:20-cv-02244 Document #: 97 Filed: 09/23/21 Page 26 of 39 PageID #:1530

Travel Falcons, for example, states that the "**Park Ridge Falcons** [and not the Park Ridge Travel Falcons] strive to build camaraderie and create opportunities for all kids to develop and find success[.]"⁸⁵ In fact, it appears that Defendants have undertaken efforts to ensure that they (and not Park Ridge Sports) are first identified as the Park Ridge Falcons. If you Google Park Ridge Falcons, it is Defendants' team's website that pops up first and with a description.

Those two things in unison—the same name identifying the same service—mean that any "customer would believe that [Park Ridge Sports] sponsor[s], endorse[s] or [is] otherwise affiliated with" Defendants' travel tackle football team. *E.g., AutoZone, Inc. v. Strick*, 543 F.3d 923, 930 (7th Cir. 2008) (quoting *Nike, Inc. v. "Just Did It" Enters.*, 6 F.3d 1225, 1228–29 (7th Cir. 1993)). As this Court has made clear, "[t]he test is whether the viewer of an accused mark would be likely to associate the product with which it is connected with the source of products with which an earlier mark is connected." *Entm't One UK Ltd. v. 2012Shiliang*, 384 F. Supp. 3d 941, 950 (N.D. Ill. 2019).

2012Shiliang is particularly illustrative. Like here, the two competing marks at issue there bore the exact same word marks—PEPPA PIG—and the defendant's product clearly mimicked plaintiff's design mark. *Id.* Like the court did there, the Court should hold that this factor favors confusion. *E.g.*, *id.*; *see also St. Charles Mfg. Co. v. St. Charles Furniture Corp.*, 482 F. Supp. 397, 403 (N.D. Ill. 1979) ("Defendants and plaintiff are each engaged in the sale and distribution of furniture products which are likely to be connected in the mind of a prospective purchaser when sold under the same or a similar mark.").

b. Park Ridge Falcons v. Park Ridge Travel Falcons

⁸⁵ Exhibit 56 at PRSI15129 (emphasis added).

That same conclusion easily translates to Defendants' Park Ridge Travel Falcons mark. At the threshold, it is not conclusive to this evaluation that the marks being compared "begin with the same name, [but] different words follow." *Sam's Wines & Liquors Inc. v. Wal-Mart Stores*, Inc., 92 C 5170, 1993 WL 350194, at *3 (N.D. Ill. Sept. 7, 1993). In that case, for example, the court held that the marks were similar, even though the plaintiff's marks and the defendant's marks utilized marks that had *numerous* words following the one word they shared in common ("SAM's"):

- <u>Plaintiff</u>: Plaintiff utilized two marks: "SAM'S WINES & LIQUORS" and "SAM'S WINES & LIQUORS AT THE BREWERY" of which "SAM'S" appeared in larger and more stylized letters on signs and advertisements.
- <u>Defendant</u>: The defendant utilized both "SAM'S CLUB MEMBERS ONLY" and "SAM'S WHOLESALE CLUB" in its advertisements.

c. Park Ridge Falcons v. PR Falcons

Turning to the PR Falcons mark, the result in *Sam's Wines* makes sense especially since the law in this Circuit is that "if one word or feature of a composite trademark is the salient portion of the mark, it may be given greater weight than the surrounding elements." *Henri's Food Products Co., Inc. v. Kraft*, Inc., 717 F.2d 352, 356 (7th Cir.1983). In accordance with that notion, the Seventh Circuit has held marks to still be "strikingly similar" even where their spelling is different, but they contain similar letters and sound similar:

The similarity between the names PROZAC® and HERBROZAC is obvious: HERBROZAC contains five of the six letters in PROZAC®, and the "B" in HERBROZAC sounds similar to the "P" in PROZAC®. Natural Answers argues that the two marks are dissimilar because HERBROZAC may be pronounced with an emphasis on the first syllable (HERBrozac), thus rendering the "B" and "P" sounds less similar than when the second syllable of HERBROZAC is emphasized (herBROzac). Even under Natural Answers' preferred pronunciation (which seems contrary to the natural pronunciation of a combination of the root words "herb" and "Prozac"), however, the two words are strikingly similar. *Eli Lilly & Co. v. Nat. Answers, Inc.*, 233 F.3d 456, 462 (7th Cir. 2000). Finally, this Court has held that "[a] new name is confusingly similar to an existing trademark if it is similar in sound, appearance, meaning or connotation." *Knaack Mfg. Co. v. Rally Accessories, Inc.*, 955 F. Supp. 991, 1000 (N.D. Ill. 1997) (citing *Independent Nail & Packing Co. v. Stronghold Screw Products Inc.*, 205 F.2d 921, 924 (7th Cir.1953)). There, the marks were held to be similar, as "Rally's WeatherGUARD mark [was] identical to Knaack's WEATHER GUARD mark phonetically and in spelling." *Id.*

These things in mind, the Court should hold here that the "PR Falcons" mark is similar to the Park Ridge Falcons mark. Though the two marks are spelled different, they still sound the same and still share the same central "Falcons" component.

2. Similarity of the products

This factor heavily favors confusion because there is no difference between the parties' travel tackle football teams, even if the parties' teams play in different youth football leagues. Again, Park Ridge Sports uses the Park Ridge Falcons mark as the moniker for its youth travel tackle teams and the Defendants use that mark and marks similar to it to also identify their youth travel tackle teams. In this way, then, the parties' teams are "the kind the public might very well attribute to a single source ([Park Ridge Sports])." *AutoZone*, 543 F.3d at 931.

To be sure, it does not matter for this inquiry that Defendants' teams play in a different travel league than Park Ridge Sports' teams. Seventh Circuit caselaw has closed that door shut. Binding precedent supports that the services need only be closely related (and not identical), especially when the marks are similar:

• "Because the new evidence demonstrated that Clean Air and CAE, Inc. offer some closely-related, if not substantially similar, products and services under the CAE mark, the district court correctly found that consumers reasonably could conclude

that Clean Air's products and services are affiliated or associated with CAE." *CAE*, *Inc.* v. *Clean Air Eng'g, Inc.*, 267 F.3d 660, 680 (7th Cir. 2001).

• "No consumer would mistake an AutoZone store, which mainly sells products, for a Wash Zone or an Oil Zone, which primarily provides services. But, viewed in light of the similarity of the marks, a reasonable consumer may very well be led to believe that Oil Zone and Wash Zone are AutoZone spinoffs." *AutoZone, Inc.*, 543 F.3d at 931.

3. Area and manner of concurrent use

This factor favors confusion, as both parties promote their programs to Park Ridge youth and their families via social media platforms like Instagram.⁸⁶ There is thus "a relationship in use, promotion, distribution, or sales between the goods or services of the parties." *CAE*, 267 F.3d 681 (citation omitted); *see also, e.g., AutoZone*, 543 F.3d at 932 ("In this case, the evidence in the record shows that both parties sell and promote their automotive goods and services in the Chicago area."); *Ty*, 237 F.3d at 901 ("Based on the evidence presented, it seems undeniable that Beanie Racers and Beanie Babies were sold and advertised in the same venues and there exists the possibility that the two companies targeted similar buyers.").

4. Degree of care likely to be exercised by consumers

This factor does not favor confusion because the price point at which both parties offer their programs⁸⁷ is "beyond the price level considered 'low.'" *S Indus., Inc. v. JL Audio*, Inc., 29 F. Supp. 2d 878, 892 (N.D. Ill. 1998) (collecting cases)) ("As a general rule, where the cost of the defendant's trademarked product is high, the courts assume that purchasers are likely to be more discriminating than they might otherwise be. . . . Moreover, where the product involved [is] a low value item, the risk of confusion is greater.") (cleaned up) (quoting *Maxim's Limited v. Badonsky*, 772 F.2d 388, 393 (7th Cir.1985)). Moreover, because youth and their parents are

⁸⁶ Exhibit 68 at PRSI15130; Exhibit 69 at PRSI15131.

⁸⁷ Exhibit 65 at PRSI15104.

paying for a subjective experience, they are more likely to exercise more care. *See Uncommon, LLC v. Spigen, Inc.*, 305 F. Supp. 3d 825, 860–61 (N.D. Ill. 2018), *aff'd*, 926 F.3d 409 (7th Cir. 2019).

5. Strength of the Park Ridge Falcons mark

This factor favors confusion. Park Ridge Sports has used the Park Ridge Falcons mark for 50-plus years and has built a strong reputation for it, as shown throughout this brief. That this is sufficient to have a strong mark is supported by this Seventh Circuit case: *Barbecue Marx*, 235 F.3d at 1045. There, Barbecue Marx had used the mark "SMOKE DADDY" for just six years and had "built a reputation for good barbecue" around it. Here, Park Ridge Sports has used the Park Ridge Falcons mark for much longer than that, and a plethora of evidence, cited throughout, supports that Park Ridge Sports has built a reputation for providing a good program for youth to participate in travel tackle football. Oddly, the great lengths to which Defendants have gone to make that mark their own is itself evidence of how good of a reputation the mark has in that regard.

In addition, the Park Ridge Falcons mark is strong "because its fame, uniqueness, and volume of usage give it an edge in the marketplace." In support of this, the Court need not look any further than these emails from parents specifically seeking out the original Park Ridge Falcons program:

- One community member asked the Park Ridge Travel Falcons on its Facebook page whether it was "the original Park Ridge football or the one . . . just started."⁸⁸ She added, "I'm so confused."⁸⁹
- On March 29, 2021, a parent emailed Park Ridge Sports because she wanted her son to play for a Park Ridge Falcons team but believed she may have signed him up for the wrong team.⁹⁰ In her words, she did not want her son "to play on the other team"⁹¹ but had been

"deceived" into signing him up for it.⁹² She added that she was "beyond upset that there were two teams in the same town with the same name."⁹³

See GMI Holdings, Inc., 1998 WL 67627, at *8.

6. Actual confusion

This particularly important factor wholly favors confusion. "While proof of actual confusion is not required to prove likelihood of confusion, 'courts often view evidence of actual confusion as the best evidence of likelihood of confusion." *S Indus., Inc.,* 29 F. Supp. 2d at 893. Accordingly, evidence of actual confusion is entitled to "substantial weight in the likelihood of confusion analysis." *CAE*, 267 F.3d at 685. In fact, "[o]ne instance of actual confusion has been deemed sufficient to weigh in favor of finding a likelihood of confusion." *Id*.

Here are multiple pieces of evidence showing actual confusion as to whether Park Ridge

Sports or Defendants offer the Park Ridge Falcons program:

- One community member asked the Park Ridge Travel Falcons on its Facebook page whether it was "the original Park Ridge football or the one . . . just started."⁹⁴ She added, "I'm so confused."⁹⁵
- On March 29, 2021, a parent emailed Park Ridge Sports because she wanted her son to play for a Park Ridge Falcons team but believed she may have signed him up for the wrong team.⁹⁶ In her words, she did not want her son "to play on the other team"⁹⁷ but had been "deceived" into signing him up for it.⁹⁸ She added that she was "beyond upset that there were two teams in the same town with the same name."⁹⁹
- On April 12, 2021, another parent emailed Park Ridge Sports believing that she had "signed up to do the wrong team."¹⁰⁰ She had just found out that her son "didn't make the team" and asked if "park ridge falcons have a house league that [she] c[ould] get him into for the spring?"¹⁰¹ That same parent later wrote: "I wish it would have been made known that the

I should have know[n] when his friend kept saying things that didn't match where he was originally. Two of the same names and different leagues."¹⁰²

7. Intent of the Defendants to "palm off" their program as the Park Ridge Falcons program.

This final and particularly important factor weighs heavily in favor of confusion. It is now undisputed that Defendants intended to palm their program off as being the Park Ridge Falcons program. Defendant Walbert has admitted, after all, that Defendants named their new team what they did because it is the "historic" travel tackle football program.¹⁰³ *See, e.g., Entm't One UK Ltd. v. 2012Shiliang*, 384 F. Supp. 3d 941, 952 (N.D. Ill. 2019) ("Here, the Court can infer that Defendants intended to pass off their products as coming from Plaintiff because they named their product 'Peppa Pig Head Cookie Cutter.'"). Likewise, Defendant Walbert's Facebook speech makes Defendants' intent translucent. In that video, he acknowledged that the Park Ridge Falcons program had been offered to the Park Ridge community for "decades and decades." ¹⁰⁴ Shortly after that he says, "we're excited to continue the legacy and tradition."¹⁰⁵

Additionally, because the Park Ridge Falcons mark has been ubiquitous in the Park Ridge area for 50-plus years, the Court can easily conclude that Defendants are intending to confuse consumers by also using that mark there. *See AutoZone*, 543 F.3d at 934 ("If the marketing and business presence of the senior mark (in this case AutoZone) is nearly ubiquitous in the geographic area where the junior mark competes, a trier of fact can easily conclude that the creator of a strikingly similar junior mark intended to confuse.").

B. Park Ridge Sports has been and will continue to be irreparably harmed.

Because Park Ridge Sports has shown that it has a better than negligible chance of succeeding on the merits, the Court must provide Park Ridge Sports with "a rebuttable presumption of irreparable harm." Consolidated Appropriations Act, 2021, Pub. L. No. 116-260, § 226, 134 Stat. 1182 (2020).

In addition, "[t]he Seventh Circuit has repeatedly recognized that the 'most corrosive and irreparable harm' attributable to trademark infringement 'is the inability of the [trademark holder] to control the nature and quality of the defendants' goods." *See Data Mgmt. Ass'n Int'l v. Enter. Warehousing Sols., Inc.*, No. 20 C 04711, 2020 WL 7698368, at *4 (N.D. Ill. Dec. 28, 2020) (citations omitted). To that end, "it is well established that the loss of goodwill and reputation, if proven, can constitute irreparable harm." *Life Spine, Inc. v. Aegis Spine, Inc.*, 8 F.4th 531, 546 (7th Cir. 2021) (citing *Stuller, Inc. v. Steak N Shake Enters., Inc.*, 695 F.3d 676, 680 (7th Cir. 2012) and 11A Charles Alan Wright & Arthur R. Miller, *Federal Practice & Procedure* § 2948.1 (3d ed. 2002 & April 2021 Supp.) ("Injury to reputation or goodwill is not easily measurable in monetary terms, and so often is viewed as irreparable.")).

C. Park Ridge Sports can independently establish irreparable harm.

While Defendants portray the Park Ridge Travel Falcons to be the historic Park Ridge Falcons, their use of that mark is entirely inconsistent with the reputation and goodwill associated with that mark. Such misuse has caused Park Ridge Sports to continue to lose control over the mark's reputation and goodwill.

For starters, Defendants' football team is not even based in Park Ridge; *it is based in Rosemont*.¹⁰⁶ Such misuse means that the mark is no longer solely associated with a travel tackle football team that is based in Park Ridge, as it has been for 50-plus years. Now, the mark is being

¹⁰⁶ Exhibit 70 at PRSI14870 (Park Ridge Travel Falcons website, January 13, 2021) ("Practice happens 3-4 days a week (At our Awesome Turf Practice Facility just over in Rosemont)").

Case: 1:20-cv-02244 Document #: 97 Filed: 09/23/21 Page 34 of 39 PageID #:1538

claimed by Defendants' travel tackle football team that is from out of town. As a result, Park Ridge Sports can no longer control the reputation and goodwill of the mark that derives from the mark's association with a travel tackle football team whose hometown is Park Ridge.

Further, because Defendants "cut" players (*i.e.*, they do not offer a spot on their teams to every player who registers),¹⁰⁷ their use of the mark while doing so jeopardizes the reputation and goodwill that was built into that mark *vis a vis* Park Ridge Sports' strict prohibition against such a practice. Here's a screenshot of Defendants' website from September 22, 2021:

IF YOU HAVE MADE A TEAM AND NEED TO PROCESS PAPERWORK CONTACT YOUR COACH FOR LINK TO FALL REGISTRATION.

As shown, Defendants ask those who "made" the team to now "process paperwork" and reach out to their coach for the link to "fall registration."¹⁰⁸

This contrast to the storied Park Ridge Falcons cannot get more real than this. If you want to be a Park Ridge Falcon you simply just have to sign up. If you want to play on Defendants' misappropriated spin on that program, you first must be evaluated, then have to be invited, and only then can you register for Defendants' spinoff. If you are a kid who does not make Defendants' team, you then have to wait for an invitation from Defendants to be a part of their practice squad. According to Defendants' website, "Before each season, players will be evaluated and invited to play on a travel team OR a player may be asked to continue to work out with the team, to condition, learn plays and develop overall skills."¹⁰⁹

¹⁰⁷ *Id.* (Park Ridge Travel Falcons website, January 13, 2021) ("We are a try out based program made for the serious athlete who's willing to learn, work hard and advance to the next level.").

¹⁰⁸ Exhibit 71 at PRSI15214.

Case: 1:20-cv-02244 Document #: 97 Filed: 09/23/21 Page 35 of 39 PageID #:1539

Of course, a child who does not make the team shouldn't hold his or her breath for an invitation. As Defendants made clear in a recent Instagram post, Defendants would much rather have the kids who do not make their teams go and join some inexistent house football program:¹¹⁰

As a result of Defendants' pro-cut policy, Park Ridge Sports is now losing control over a very cherished component of the reputation and goodwill of the Park Ridge Falcons mark. From its inception through now, a central purpose of Park Ridge Sports has been to provide "the youth in the Park ridge area with an opportunity to participate in sports without regard to their ability."¹¹¹ Consistent with that purpose, Park Ridge Sports had a no-cut policy, which meant the Park Ridge Falcons mark identified a travel tackle football program that never cut its players. Now, however, the mark is now being used by a program that clearly does not care whether kids get cut or not.

Continuing, because Defendant' program has only been around for two seasons, the Park Ridge Falcons mark no longer just identifies a 50-plus-year-old program with a long lineage of

¹¹⁰ Exhibit 59 at PRSI15189.

¹¹¹ Exhibit 73 at PRSI14719 (2020 Park Ridge Sports Bylaws).

Case: 1:20-cv-02244 Document #: 97 Filed: 09/23/21 Page 36 of 39 PageID #:1540

notable participants¹¹² and championships.¹¹³ Now, it also identifies the newly formed Park Ridge Travel Flacons, who do not have such credentials. As a result, Park Ridge Sports is losing control over the mark's reputation and goodwill that stems from its persistence in maintaining and supporting the mark for decades.

Moreover, because Park Ridge Sports has no ability to control Defendants' behavior or that of the players on Defendants' teams, Defendants' use of the mark puts in jeopardy the reputation and goodwill of the mark that stems from Park Ridge Sports' strict adherence to all rules governing player and coach conduct.¹¹⁴

Finally, because Defendants' program does not have the same affiliations as Park Ridge Sports, Defendants' use of the mark endangers the mark's reputation and goodwill flowing from Park Ridge Sports' exclusive affiliations with other community organizations.

D. Traditional legal remedies would be inadequate to rectify the irreparable harm that Park Ridge Sports will suffer if Defendants are not enjoined.

The inability of Park Ridge Sports to control the nature and quality of Defendants' use of the Park Ridge Falcons mark is the "type of 'damage to a trademark holder's goodwill' [that] leaves a trademark owner, like [Park Ridge Sports], with no adequate legal remedy." *Data Mgmt.*, 2020 WL 7698368, at *4 (quoting *Re/Max N. Cent., Inc. v. Cook*, 272 F.3d 424, 432 (7th Cir. 2001); *see also Re/Max N. Cent., Inc. v. Cook*, 272 F.3d 424, 432 (7th Cir. 2001); *see also Re/Max N. Cent., Inc. v. Cook*, 272 F.3d 424, 432 (7th Cir. 2001); *see also Re/Max N. Cent., Inc. v. Cook*, 272 F.3d 424, 432 (7th Cir. 2001) ("We have clearly and repeatedly held that damage to a trademark holder's goodwill can constitute irreparable injury for which the trademark owner has no adequate legal remedy."). After all, "[t]he Seventh Circuit has held that 'it is virtually impossible to ascertain the precise economic consequences of

¹¹² Exhibit 18 at PRSI15152-61.

¹¹³ E.g., Exhibit 2 at PRSI0291 (List of Championships for Park Ridge Falcons teams from 1994 to 2009).

¹¹⁴ See Exhibit 74 at PRSI11913 ("Park Ridge Falcons Football – Junior Midget Red") ("Fans, as well as the players and coaches, are expected to abide by a code of conduct at all Park Ridge Football Events.")

intangible harms, such as damage to reputation and loss of goodwill." *SMC Corp., Ltd. v. Lockjaw, LLC*, 481 F. Supp. 2d 918, 928 (N.D. Ill. 2007) (quoting *Ty, Inc.*, 237 F.3d at 902).

E. The balance of harms favors Park Ridge Sports.

In conducting this analysis, the Court is to deploy a sliding-scale approach. *Valencia v. City of Springfield*, 883 F.3d 959, 965 (7th Cir. 2018). For example, the more likely the Court finds that Park Ridge Sports is to succeed on the merits of its claim, the less heavily the Court should require the balance of harms to weigh in its favor. *Id.* Where appropriate, the balance-of-harms analysis should also encompass any impact that granting or denying the preliminary injunction would have on nonparties. *Id.*

"The damages occasioned by trademark infringement are by their very nature irreparable and not susceptible of adequate measurement for remedy at law." *TV Land, L.P. v. Viacom Intern.*, Inc., 908 F. Supp. 543, 554 (N.D. III. 1995); *see also Processed Plastic Co. v. Warner Communications, Inc.*, 675 F.2d 852, 858 (7th Cir.1982); *C.B. Fleet Co., Inc. v. Complete Packaging Corp.*, 739 F.Supp. 393, 398 (N.D.III.1990).

As it could lose the reputation and goodwill of the Park Ridge Falcons mark, Park Ridge Sports would suffer much more harm if Defendants were not enjoined. Without an injunction, Park Ridge Sports could lose the reputation and goodwill of the Park Ridge Falcons mark. *E.g., Ty, Inc.*, 98 F. Supp. 2d at 993 ("Plaintiff stands to suffer significantly if a preliminary injunction is not entered, as Plaintiff could lose control of its reputation and goodwill. Plaintiff would risk losing years of nurturing its business."). By contrast, any laments from Defendants about harm they would suffer should ring hollow. All the individual Defendants were either former coaches in the Park Ridge Falcons program or members of the Park Ridge Sports Board. Some were both, and some even played for a Park Ridge Falcons team. Moreover, Defendants have admitted that they knew Park Ridge Sports had used the Park Ridge Falcons mark when Defendants began their

Case: 1:20-cv-02244 Document #: 97 Filed: 09/23/21 Page 38 of 39 PageID #:1542

campaign to misappropriate it. As a result, they cannot claim that any harm would result from a risk that they voluntarily assumed by trying to make the Park Ridge Falcons mark their own. *Id.* ("In assessing Defendant's irreparable harm, the court excludes the burden it voluntarily assumed by proceeding in the face of a known risk.").

Additionally, Park Ridge Sports is not requesting the Court to preclude Defendants from offering their football program; it is only requesting that the Court enjoin them from using the Park Ridge Falcons mark and marks similar to it. If the Court grants the requested relief, Defendants will remain free to offer their football program, they need only change their name and logo.

VI. CONCLUSION

For these reasons, the Court should enter an Order that enjoins Defendants from using the Park Ridge Falcon, Park Ridge Travel Falcons, and PR Falcons marks and also any similar or derivative marks. Respectfully submitted,

To our friends:

PRS10002

Another season has come and gone . . . bringing to a close another chapter in the story of seven full years of Mighty Mite football in Park Ridge.

In 1964, we started with a band of fortyfive players . . . today we have 25 teams comprised of over 650 boys, plus 160 cheerleaders. The amazing growth can be contributed to two factors; first selfless devotion of countless coaches and parents, and secondly, the enthusiastic response and participation of the youth of Park Ridge.

The above tells our story . . . It is a human interest story. A story of molding human beings. In teaching, guiding, and helping your minds towards the value of sportmanship, fair play and teammate. Again Coaches . . . we thank you.

Many thanks to John Maloney, his officers, and the board, for the many hours they have given to the program, through their efforts the Mighty Mite program is the envey of many of the nearby communities.

This year the ladies auxiliary was introduced to the program, once again the Mighty Mites were very fortunate in having excellent leadership. President Patricia Calmeyn and the entire ladies organization should be commended for a job well done.

To all boys leaving the program; what you do in later life will parallel what you learned in football. As you head upward to high school give a good accounting of yourself ... be competitive, fair, and a good example to others. Try to win in the classroom as well as you did on the football field ... and remember we're all proud of you.

To all the boys returning . . . keep in good condition, both mentally and physically . . . we'll see you next Year.

The Officers and Board of Directors of Park Ridge Sports Inc. would like to express our deep appreciation and sincere thanks to the coaches, parents, boys and girls who contributed to the success of the sixth season of Mighty Mite Football.

Over 650 boys and 160 girls participated in Football and Cheerleading during the 1970 season. This year we fielded 25 teams that played a schedule of 104 contests at three locations in Park Ridge. With the cooperation and encouragement of the Park Ridge Park District, this year's program included all of Park Ridge, and utilized the Park District facilities throughout the community

Once again we are appreciative of the support and cooperation extended by the local business enterprises, the City Council, the Park District Commissioners, and especially the coaches and parents who contributed their time and energy so unselfishly.

We would also like to thank the officers and members of the recently established Mighty Mites Mother's Club for their outstanding efforts and financial support contributed to our program, and to wish them continued success.

Park Ridge Sports, Inc. Presents the 1970 MIGHTY MITES PANARAMA DAY

Saturday, October 24

1970 Panorama Night

THE PRESENTATION of more than 650 boys, 75 coaches and 100 cheerleaders was a fitting climax to Mighty Mite Panorama Day and the 1970 football season.

The crowd of more than 1000 persons in Maine East stadium Saturday night was awed by the spectacle of bright color as the football field, full of uniformed players, stood at attention during the playing of the Star Spangled Banner.

This year, the Mighty Mites Awards Dinner will be held on three separate Sunday afternoons at the Sheraton O'Hare Hotel. The Midget Division dinner will be held Nov. 15, the Widget Division dinner is Nov. 22 and the Traveling Teams dinner will be Dec. 6.

Last Saturday's games complete the season for the 22 teams playing in the intramural round robin. The three traveling teams, each play two more games the week ending Oct, 31 and Nov. 7.

Preliminary plans are now being made for the 1971 season when the program is expected to accommodate an even larger number of boys between the ages of 8 and 13. Registration for the program will be held next summer. (Don Pfister Photo)

Both the Vikings and the Lions got off to a very slow start in the first half of their game played Saturday at Southwest Park, but the Vikings caught fire in the second half and walked off with a 12-0 victory.

Very little happened in the first half to excite spectators as the Llons picked up a total of two first downs and the Vikings got the required 10 yards three times without giving up the ball.

The second half started to look like a replay until T. McNamara tossed a beautiful spiral to P. Preston who had gotten behind the Lion secondary. The play covered 38 yards, and two plays later C. Martin ran 14 yards into the end zone for the first touchdown of the game. The conversion attempt failed and the Vikings led 6-0.

The Lions took the kickoff but had to give up the football after fourth down failed to gain them another first down. The Vikings struck swiftly again as J. Depke went off right tackle for the second TD. A lateral and sweep to the left in a try for the extra point was stopped out of bounds and short of the goal line to keep the score 12-0.

The Lions managed one more first down near midfield before the game ended.

Viking coaches Frank Preston, Tom McDonald and John Epitanio mixed in two offensive units made up of E. J. Bell, P. Rizzo, R. J. Emerick, J. Connolly, R. Russell, B. Ashbrook, J. Rubine, T. McNamara, P. Preston, T. Barr, C. Martin and J. Depke to gain the victory and used J. Chrzan, S. Mandell, F. O'Connor, J. McNamara, B. Dohr, D. Ryan, F. Paulette, M. Gerdisch, D. Archibald, D. Schimpf, J. Kilroy, M. Hershey, M. McGrath and J. Register on defense to stop the Lion attacks.

Matt Garnett, coaches of the Lions sent Joe Davies, Bruce Ringstrand, Ken Hunter, Scott Wageman, Henry Joern, Larry Powers, Dave Jensen, Marc Crescenzo, Richard Pekosh, Bill Helwig, and Gerry Gierum to move the ball against the Viking defense and matched their defensemen Rober Morris, Ken Weinke, Rob Weber, Doug Cartland, John Eskrich, Dave Anderson, Steve Jeppson, Scott Brady, Jeffrey Fajnor, Mike Garnett and Robert Griesser against the Viking charge.

Midget Colts 7, Midget Vikings 0

A hard-fought defensive battle took place Saturday at Northwest Park as the Midget Vikings finally succumbed to Colt pressure and gave up one touchdown in the second half of a 7-0 football game.

That score came as Colt Dave Ryan swept around left end for six points and Don Flynn followed the same route for the extra point.

The Vikings dominated first-half play and racked up five first downs during the game while the Colts took command in the second half getting three successive first downs leading to the TD.

Two Colt fumbles, including one following a Viking puntt, were recovered by Steve Nierman to help the Vikings maintain possession of the ball in the first half.

To secure the victory, the winning Colts used 25 players including Pat Sullivan, Dan Ryan, Dave Ryan, Dick Spinell, Bill Baumgartner, Scott Ringstrand, Bill Coglianese, Mark Diebold, Dan Fiddler, Tom Twork, Paul Vee, Dave Lloyd, Bob Brown, Frank Chrzanowski, Todd Vikovich, Tom Olson, Joe Roberti, John Culliksen, Brett Engmark, Don Flynn, Mike Crutchfield, Bob Sylverne, Steve Spinell, Tom Sullivan and Jim Griesser. Park Ridge Falcons

Mighty Mite Football Junior Falcons Win 13-6

By Chuck Reiner Special Correspondent

The Junior traveling team of the Park Ridge Mighty Mites handed the Glen Ellyn Eagles a 13-6 loss Sunday in a game played on the Maine East practice field.

Joe Crosby carried the Falcon banner into the end zone two times once in the first half when he caught a 15-yard pass from Brad Dunson, and again in the second half as he sprinted left for nine yards and another six points.

The lone Glen Ellyn TD came on an interception of a Falcon pass. The try for the extra point was stopped by Rick Divite of the Falcons.

Quarterback Brad Dunson mixed inside and outside running plays with effective passing to keep the Park Ridge offense moving.

Large gains were marked up by Mike Sellergren and Crosby behind blocking by Mike Sciortino, Terry Gilfoy, Dan McGrath, Mike Erickson, Kim Erickson, Louis Marsico and Fred Kruger.

Dunson aerials were snagged by Charlie Sellergren and Jack Meyer in the Park Ridge attack.

Mike Sellergren stopped a fourth down TD attempt by the Eagles and Charlie Sellergren intercepted an Eagle pass in the fourth quarter to stop another Glen Ellyn drive short of the goal line. Crosby, Gilfoy, Divito and McGrath seemed to be everywhere the Eagles tried to run.

Following this fourth league victory,

the Park Ridge Junior Falcons travel to Schiller Park Oct. 18.

Eagles 31, Packers 0

The Midget Eagles, utilizing excellent blocking and hard-driving defensive play, defeated the Packers 31-0 at Sothwest Park Saturday by scoring in every quarter.

The Eagles' offensive line consisting of Jay Huyler, Bob Howard, Bob Heidkamp, Stewart Wind, Greg Gray, John Stubblefield and Steve Tomory continually made the "big play," springing Ken Fritz for two touchdowns, Dave Bush for one touchdown, Steve Sollars for one touchdown, and giving Dave Bush plenty of time to pass to Jay Huyler for the game ending touchdown.

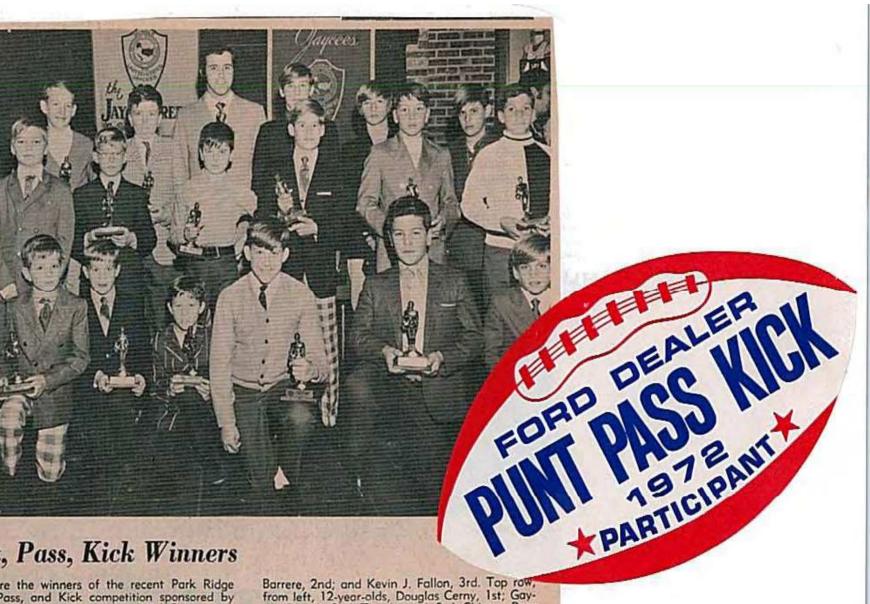

Glen Ellyn 13, Falcons 6

The Park Ridge Widget Falcons traveling team took on the highly rated Glen Ellyn squad in a suburban conference game at the Maine East practice field Sunday and left the arena a one touchdown loser.

Scott Sellergren crashed across the goal line in the second quarter for the only Park Ridge score while Glen Ellyn got on the scoreboard twice for their 13-6 victory.

Twice Tim O'Brien recovered Glen Ellyn fumbles and the Park Ridge team moved toward paydirt as Bob Capazolli caught seven passes thrown by Jim Engmark, and Tom McGlade for nice gains behind the fine blocking of the Falcon line led by Kevin Falloo. Howard Kraft caught a key pass in one drive, but a second TD didn't materialize.

Dear Parents & Friends:

October 23, 1973

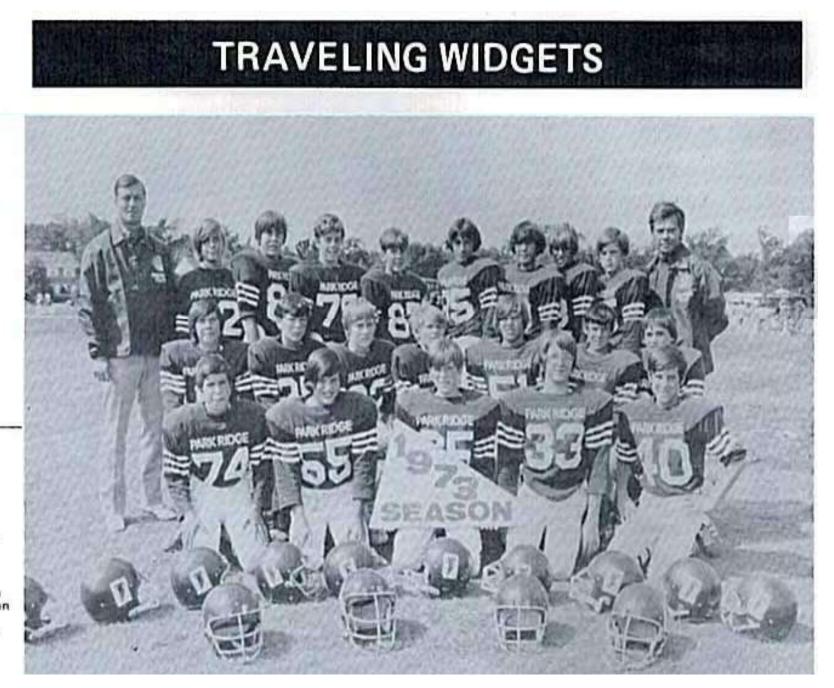

In reflecting over the years, what makes our program unique is the participation by our many parents. Over two hundred volunteers take part in the formation of the program. This is a tribute to our president Mike Fallon, the board, and its officers who have been very conscious of matching an activity which is best for the individual child.

You as parents are the greatest motivators in the designing of our program. Through our bimonthly bulletins we try to convey to you what has taken place. We hope that you continue to voice your opinion on all matters concerning the program to our league directors, board members, our president, or myself.

At this time I would like to express my gratitude to the coaches for their efforts in promoting the program. I want to thank our mothers club and its officers who once again outdid themselves with their many contributions throughout the year. We salute the park district and its commissioners for their fullest cooperation throughout the year.

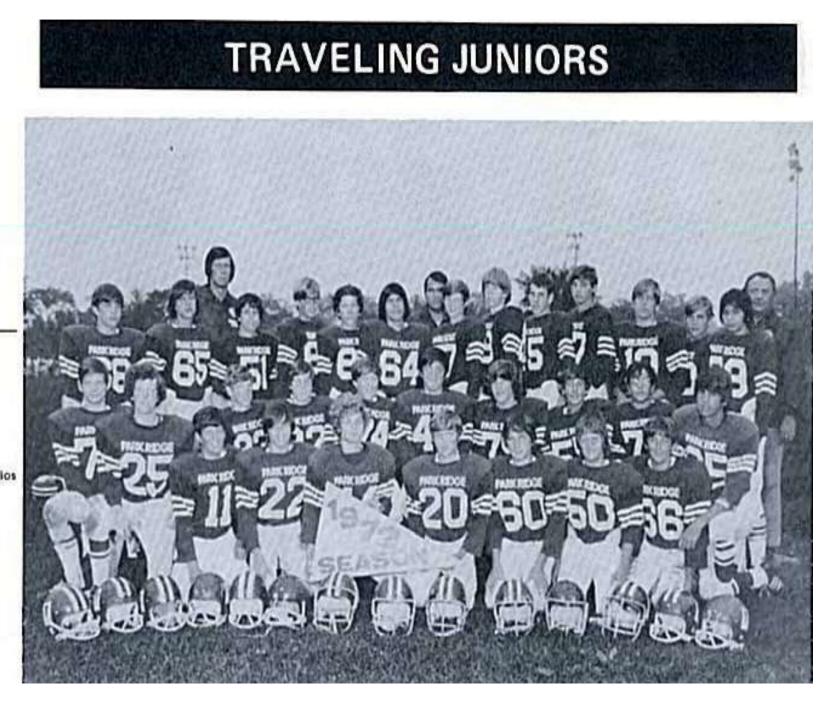

Thank you.

November 1, 1978

It is time again to reflect back on another year of football, cheerleading, gymnastics and wrestling.

A year aimed at boys and girls developing traits such as leadership, diligence, respect, character, confidence, self control and discipline through participation in athletics.

A year of men, women, moms, dads, uncles and aunts volunteering their time for coaching, book publishing, banquet organizing, fund raising, equipment purchasing, planning, referee training, publicity, registering, rule making, concession stands, a fashion show, raffle and many many meetings.

Boys and girls, I hope you have enjoyed participating in your sports as much as we have enjoyed working with you. With your efforts and contributions to your team, you have earned your trophy.

To the many men and women who participated in this year's program, I thank you very much for your time, perseverance and your many accomplishments.

Hope to see all of you again next year!

Sincerely,

Zobel President

Dear Football Players, Cheerleaders, Parents and Friends,

I am pleased to congratulate you for commiting yourselves to this fine Mighty Mite Program. As the Athletic Director I have seen most of you practice, win games, practice, loose games, but always return to the team with dedication and in the spirit of cooperation. What does involvement in the Mighty Mite Program mean to our attitudes, growth and culture? Allow me to reminisce over the eleven years I have been priviledged to participate with Park Ridge Sports.

Football requires discipline --- we must practice, memorize plays and, yes, watch what we eat. To play well requires intelligence, ingenuity and cleverness. Remember the intelligent lineman who anticipated the defense's moves to sack the fullback? How about the ingenious back who turned a broken play into a touchdown, or the clever quarterback who used a long cadence on fourth and short!

Then there are the physical requirements. You have to be strong, train each day, and be prepared to play hard -- give and take, but above all live by the rules, play as a team and practice sportsmanship. Any participant who has learned these positive attitudes will contribute to his/her own growth and maturity.

One can certainly see the impact to our culture at any number of football fields in the area. A good British friend once brought me one of my old publications on youth football coaching. The article's theme was, parents and coaches set examples in their every move. We are always being observed, measured and emulated by our youth. My friend had not perceived the importance of the coaching role in the molding of our youth. At times, in the heat of the day our perspective clouds, but in comparison over the years and through my travels, we can proudly say Park Ridge is tops.

We all thank you for participating as players, cheerleaders, coaches or parent observers. Please return next year, fresh with new ideas, new objectives and help contribute -- "The youth of a nation are the trustees of prosperity".

Mighty-Mites Mothers Club

Park Ridge Sports, Inc.

November 1, 1978

As our football season ends, so ends another Mighty-Mite year. 1978 was a year of commitment. The commitment was everywhere; on the football fields, along the sidelines, in the gyms, at committees and board meetings and especially at fund raising events.

In the nine years since its establishment, the Mighty-Mite Mothers Club has devoted itself to the young people of our program. The club is composed of all the mothers of our boys and girls. Our purpose is to provide cheerleading and gymnastic instruction for our girls and to assist Park Ridge Sports, Inc. in raising funds for the benefit of the children.

Our fund raising projects were extremely successful this year. We began with participating in the 4th of July Festival "78" Carnival, sponsored by the City of Park Ridge. From late August to early November, we maintained concession stands at Hinkley Field and Northwest Park. Our major fund raiser was our annual Dinner Fashion Show and Raffle which was held this year at the Park Ridge Courtier Club.

Everyone involved in our program must take credit for the success of these projects. The Mothers Club was indeed fortunate to have a fantastic group of women, whose enthusiasm knew no bounds. A special thank you must go to my executive board for their vitality and dedication.

The Mighty-Mite program continues to be the finest program of its kind. I would like to express my gratitude to all the parents, coaches, and Mens and Womens Club members for their enthusiastic support. Each of you contributed toward making 1978 a very special year.

Sincerely yours,

Judy Wittmus

Judith E. Wittmus President

The formation of the 10th Junior Varsity Traveling Football team found one of the strongest and most talented teams in Park Ridge history. The Juniors will be seeing their first Chicago Suburban Football League Championship.

The Junior Falcons successfully ran one of the most sophisticated offenses of any team in the Chicago Suburban League, scoring 178 regular season points. The offense was lead by quarterback Jeff Thorson and halfback Rich Mullins. Also adding a power punch to the offense were fullbacks Kevin McNichols and Daryl Schimpf, and halfbacks Dan Schmid and Gary Soldner. A must in running the wishbone is a powerful offensive line. The Falcons were fortunate to have such standouts, as ends Rudy Riemer and Kevin White; tackles Jeff Wittmus, Mike Baum and Ray Frake; guards Andy Costantini, Ted Gavlin and Tim Heinz; and centers Phil Novak and Pete Gallios.

The Falcon defense was truly the heart of the Junior team, allowing its opponents to score only 28 points and holding them offensively to an average of less than 20 yards per game. Coach Sanders skillfully ran a defense that would hold most high schools in awe. Their hard hitting and quick thinking completely destroyed every offense that they faced.

The defense was lead by linebackers Rich Mullins and Jeff Thorson. Consistantly stopping the ground game was the powerful defenseive front: defensive ends Mike Boliaux, Dan Schmid, Phil Novak and Bob Masulis; tackles Jeff Wittmus, Ray Frake and Perry Fox; and middle guards Pat Reninger and Ron Taylor. The pride of the defensive secondary was John Tiahnybik and Greg Soldner.

As the Juniors enter the playoffs, Coaches Greathouse, Sanders and Levinson commend their group of players for their intense dedication throughout the season and still say that we are indeed NUMBER ONE.

The Park Ridge Widget Traveling Team completed its 1978 season with impressive back to back victories at Bensenville and Romeoville. The team showed excellent improvement and desire in all phases of the game. The team was led throughout the season by co-captains Tim Monti, Dennis White and Tony Fudoli.

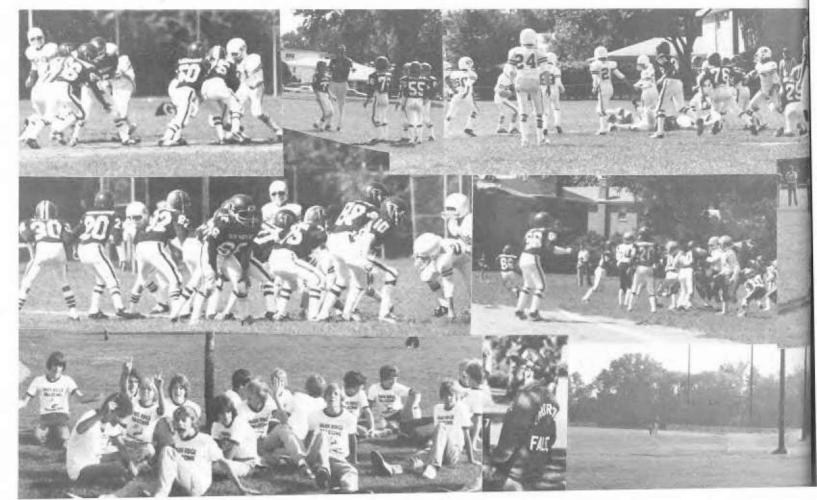

Running backs Tim Monti, Jim Katris and Jim Freese had fine seasons along with Steve Plantz, who also doubled as the team's kicker. The passing game was led by quarterbacks Dennis White and Bill Marshall, throwing to their fine receivers Anthony Edwards, Dave Marquardt, Marty Gaggiano and Eric Schmeisser.

The team's defensive effort was led by tackles Ralph Milito, Grant Mikkelsen, Dan O'Connor and linebacker Don Watson, and the offense was led by the blocking of Mike McConnell, Ed Torgerson, Eric Patt and Vic Cecchin. Wes Potucuk also had a fine season, snapping the ball on punts and playing both offensive and defensive line.

Making important contributions were Dan Kemmler, Dave Besler, Mitch MacKenzie and Chris Garrigus. Key players lost to injuries were Mike Savastio and Mark Filip.

Coaches Patt, Rosenfeld and Fallon were pleased with the team's improvement, effort and dedication in the face of an early season loss, when the underdog Park Ridge team out-played the favored Addison Cowboys only to lose on a touchdown scored on the last play of the game. The team rebounded from this disappointment to play well the remainder of the season. This game played at Park Ridge will be remembered as one of the most exciting ever seen at Northwest Park.

An enjoyable and exciting season was had by players, coaches and parents.

WRESTLING

The 1977-78 Wrestling Season added many new and good things to the Mighty-Mite Wrestling team. The team, coached by Stino Milito, Joe Dickerson and John LaManna was entered in eight dual meets, winning seven out of eight. They also entered seven tournaments, with many of the boys taking first, second and third place medals in each tournament. The boys also joined the Illinois Kid Wrestling Federation and wrestled in the State Districts at Rosemont, advancing eight boys to the State Sectionals. The team has joined the Greater Northwest Suburban Conference for the coming year and will wrestle a Conference team each week.

The Coaches and Wrestlers would like to take this opportunity to thank the parents for their fantastic support.

Registered not for profit

Greetings to all our Friends:

The Officers and Board of Directors of Park Ridge Sports, Inc. would like to thank the 800 boys, girls, coaches and parents who took part in the 1981 Mighty Mite Football, Cheerleading and Wrestling Programs. All the participants can congratulate themselves on a highly successful year.

As usual when asked the local businesses, Park District and private individuals who help support and operate our organization cooperated fully.

The deepest appreciation must go to all the Officers and Members of the Mighty Mite Mother's Club who again came through with tireless work and financial support that is so essential to cur program.

Coming to the end of my two year term as President of this Organization, in a time of declining enrollment and an increase in winning at all cost emphasis, I would like to think that I was able to retain a balance and perspective which follows the original Mighty Mite philosophy that we provide the youth of Park Ridge an opportunity to participate in sports without regard to their ability to combat delinquency by educating the youths in sportsmanship and good citizenship.

I would hope the incoming board will achieve the same goals set down by the Good Men who founded Park Ridge Sports, Inc.

Sincerely Yours,

JIM NEVILLE PRESIDENT Case: 1:20-cv-02244 Document #: 97-3 Filed: 09/23/21 Page 4 of 201 PageID #:1761

"CHEERLEADING MEANS..."

Keeping up at the other's paces, Smiling to disappointed faces, Cheering when you're very sore, From practicing the day before, Looking peppy while it's raining, Getting drenched without complaining, Staying perky when the weather's hot, Losing your voice and sweating a lot, Cheering the team to the wrong goal line, Or using a cheer at the wrong time, Waiting for your team's time out, Then forgetting what the cheer's about, Yet all of this isn't so bad, When you think of all the fun you've had, And looking back on it all, You find yourself shouting,

"GET THAT BALL!"

from the La Salle High School -Cheerleaders Albany, N.Y. We are the Cheerleaders, We like to Cheer, Cheer, Cheer We like to Chant, Chant, Chant, We like to Jump and Bump, We like to Jive and keep it Alive We like to Smile, Oh Yes.

"PEEWEE FOOTBALLER"

HE STANDS IN THE HUDDLE, HIS HEART POUNDING FAST, THE SCORE IS TIED, THE DIE HAS BEEN CAST.

MOM AND DAD CAN'T HELP HIM NOW, HE STANDS ALL ALONE, THREE YARDS AT THIS MOMENT WILL BRING VICTORY HOME.

HE BENDS HIS HEAD LOW TO HEAR HIS NUMBER CALLED, THREE YARDS, LORD, THREE YARDS...THAT'S ALL.

HE BREAKS FROM THE HUDDLE, GOES INTO HIS STANCE, COME ON LORD, GIVE HIM HIS CHANCE

HE'S HANDED THE BALL AND HITS THE LINE HARD, HIT FROM RIGHT, HIT FROM LEFT, A FUMBLE IS JARRED.

A THOUGHTLESS VOICE CRIES, "TAKE OUT THE BUM," TEARS FILL HIS EYES, THE GAME'S NO LONGER FUN.

PARENTS AND SPECTATORS WITH FACES OF STONE, "REMEMBER," HE'S JUST A BOY HE NOW STANDS ALL ALONE.

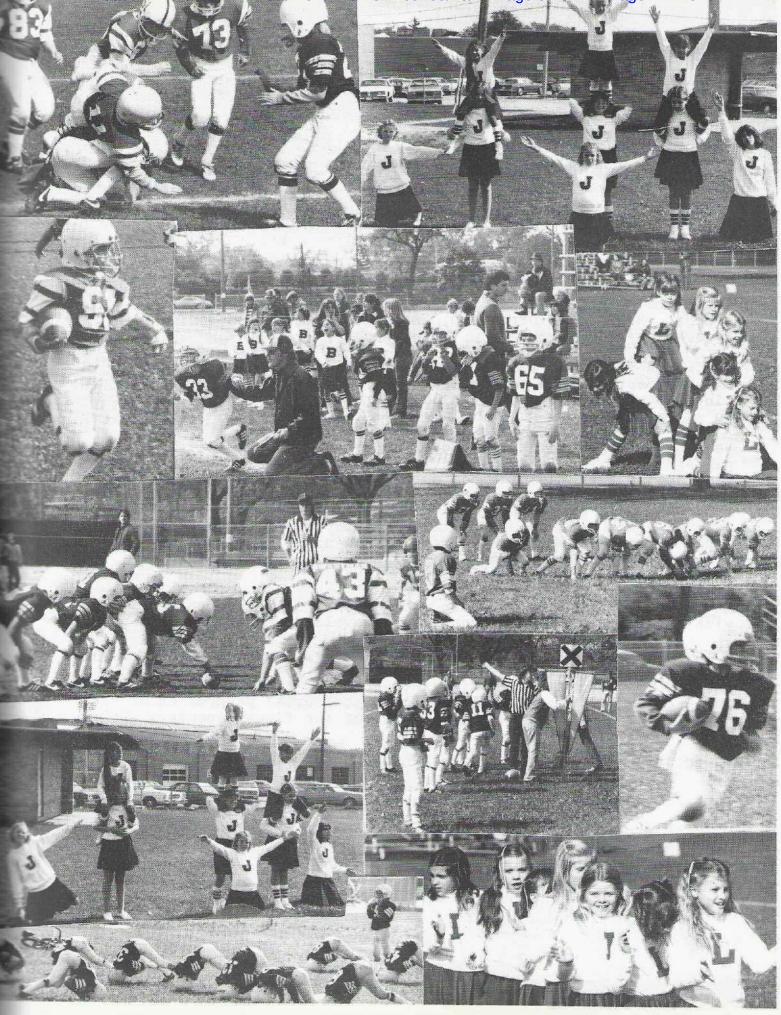

HE LEAVES THE FIELD WITH HELMET IN HAND, THESE 80 YARDS ARE NOW AN AWESOME, LONESOME LAND.

WITH TEARS AGAIN BLURRING HIS SIGHT, A CHEER FROM THE STANDS COULD MAKE THINGS RIGHT.

NOW OPEN YOUR HEART AND GIVE HIM A BREAK, FOR IT'S MOMENTS LIKE THIS A MAN YOU CAN MAKE.

KEEP THIS IN MIND WHEN YOU HEAR SOMEONE FORGET, HE'S JUST A "LITTLE BOY," AND NOT A MAN YET.

Mighty-Mites Mothers Club

Park Ridge Sports, Inc.

NOVEMBER 1981

The Board of Directors of the Mothers Club wishes to thank coaches, Men's Club Directors, and patrons for a successful season.

Our goals this year included a fashion show, a grand raffle, and the continuation of concession services. With the continued support of parents, children and friends, we were able to accomplish these goals.

We would like to thank all those who so generously donated gifts for our fashion show and raffle and for their dedication and help on the night of our fundraiser. Without their assistance, our show would not have been the success it was.

We once again were able to outfit many boys thru a swap program. We were also able to provide warm-up pants for our traveling cheerleaders, and skirts, socks, and team letters for our house league cheerleaders.

A <u>SPECIAL</u> <u>THANKS</u> goes to those who <u>GAVE</u> of their time to help with concessions, both at house and traveling games.

With this football season coming to a close, the Board Members of the Mighty-Mites Mothers Club thank you for friendships formed and fond memories gathered. We are confident the Mighty-Mite program will continue to provide parents an opportunity to become involved in one of the finest sports programs of its kind.

Thank you all for a season filled with SMILES, TEARS, and LOVE.

Sincerely,

Ann Folan Nancy Bryla Judy Neville Case: 1:20-cv-02244 Document #: 97-3 Filed: 09/23/21 Page 63 of 201 PageID #:1820

1	meeting was on the 18th, as far as you know, during
2	that meeting, did was there any kind of
3	resolution or discussion or suggestion that the Park
4	Ridge Sports board would stop using the name Park
5	Ridge Falcons?
6	A. No, at that meeting, there was no
7	discussions of that.
8	Q. Okay. When, if ever, was there a
9	discussion prior to March 27th, 2020, when you
10	signed this service mark application under penalty
11	of perjury that the Park Ridge board would stop
12	using the name Park Ridge Falcons?
13	A. That was never discussed at the meeting.
14	Q. Okay. So is it possible that perhaps you
15	made a mistake when you signed this service mark
16	application that nobody else had been using this
17	mark when you applied for trademark registration?
18	A. No. I could just say that when the board
19	decided not to do travel football, that I wanted to
20	continue travel football in Park Ridge.
21	Q. Well, okay. You can you can continue
22	it under pink flamingos if you wanted to, right?
23	A. Correct.
24	Q. If you wanted to. Okay.
25	But you decided to use Park Ridge

1	Falcons. I'm not talking about travel football
2	versus non-travel football. We'll get to that.
3	I'm now talking about the mark and only
4	the mark, whether that's travel, whether that's
5	house, whether that's flag, whatever it is. Park
6	Ridge Falcons, that name, is it are you telling
7	the jury that when you certified under penalty of
8	perjury that nobody else was using that name, that
9	you made a mistake?
10	A. I assumed after the meeting that no one
11	in Park Ridge was going to be using the Falcons name
12	for travel football.
13	Q. Okay. I understand. All right. So
14	all right. Thank you for clearing that up,
15	Mr. Purcell.
16	So, as I understand it, when you signed
17	this service mark application, which is Deposition
18	Exhibit 2, that nobody else is using Park Ridge
19	Falcons, nobody is using that name, that trademark,
20	that is based on your assumption that Park Ridge
21	Sports would not use that name anymore because,
22	according to you, they decided not to have travel
23	football anymore, right? That's what you're telling
24	the jury?
25	A. Correct.

1	Q. That you
2	A. I do.
3	Q. That you signed under penalty of perjury,
4	right?
5	A. I do, yes.
6	Q. Why did you pick that name on the exact
7	same day that you resigned from the Park Ridge board
8	after the vote to consolidate the two Park Ridge
9	Falcons teams? How did you come up with that name,
10	sir?
11	A. The Park Ridge Travel Falcons or Park
12	Ridge Falcons?
13	Q. Let's do Falcons first. Park Ridge
14	Falcons. Why did you
15	A. Because I assumed after that meeting on
16	March 18th, they were no longer going to have travel
17	football in Park Ridge.
18	Q. Okay. And what about the Park Ridge
19	Travel Falcons?
20	A. Park Ridge Travel Falcons, we wanted I
21	wanted to put the qualifier on there that it's a
22	travel, competitive football team.
23	Q. But so is the Park Ridge Falcons.
24	They're a travel team, as we just saw from the board
25	minutes for 2020.

2	Q. Now, your current the this league
3	that you have now, this Park Ridge Travel Falcons,
4	do you play any of your games in Park Ridge?
5	A. We do not.
6	Q. None? None of the teams visit you?
7	A. No.
8	Q. How about going forward in the future?
9	Are teams going to visit you so that you have home
10	games?
11	A. We would like to.
12	Q. Okay. And that's because of COVID,
13	right?
14	A. Because correct.
15	Q. Because Illinois currently has a no
16	tackle football or contact sport requirement, right?
17	A. Correct.
18	Q. That's why y'all are going to Indiana,
19	right?
20	A. Correct.
21	Q. And when COVID lifts and things go back
22	to normal, some of your games are going to be in
23	Park Ridge, right?
24	A. We would play some hopefully some of
25	our games in Park Ridge but not against other Park

Sam I. Donatucci: 1928 - 2007

By **Graydon Megan, Special to the Tribune** CHICAGO TRIBUNE

MARCH 23, 2007

am I. Donatucci enjoyed playing sports and working with children during a career as a physical-education teacher and the founder of a suburban sports-awards company.

He also started a youth football program in Park Ridge.

"He was always involved in organizing sports for kids," said Leo D'Agostino, a cousin and lifelong friend.

Mr. Donatucci, 78, a former Park Ridge resident, died of complications from Parkinson's disease Wednesday, March 21, in his Arlington Heights home.

"Teaching and coaching were his hobbies," said a son, Michael. "He had a knack with people in general and especially kids."

Mr. Donatucci also was an athlete, playing baseball in the Army and later in college, according to family members.

The son of a carpenter, he was born in Chicago. After graduating in 1946 from Crane Technical High School, he decided that military service could pay for higher education.

"He realized the only way he'd get to college was through the GI Bill, and he signed up for the Army," his son said.

He said his father spent much of his two-year hitch playing baseball with an Army team in Japan. He left the Army in 1948 and enrolled at Eureka College in Eureka, Ill., and graduated in 1952 with a degree in physical education and recreation.

He worked for the Chicago Park District for 14 years supervising programs and activities, first at Humboldt Park and later at Amundsen Park, family members said.

While at Eureka College, Mr. Donatucci met Virginia Rose at the rehearsal for a friend's wedding. Michael Donatucci said his parents met on a Friday the 13th and joked later about whether it was a lucky or unlucky day.

The couple married in 1953 and moved to Park Ridge in 1965. They moved to Arlington Heights in 1986.

Sam I. Donatucci: 1928 - 2007 - Chicago Tribune

"He had a way of making us all feel special," said Mary Jane Carlisle, one of his pupils. "He was one of maybe three teachers who really made a difference in my life."

After moving to Park Ridge, Mr. Donatucci started a youth football program for youngsters in 4th through 8th grades. It later was expanded to include 2nd graders.

"He called it Mighty Mites Midget Football," his son said. "He started with one team with 40 kids. By the time he left in 1972, there were close to 700 kids."

Mr. Donatucci left the program when his youngest son entered high school.

"Everything in Park Ridge youth football grew from that program. The program still exists today," said Garry Abezetian, a director of Park Ridge Sports, which includes Mighty Mites and Park Ridge Falcons Football.

In 1970 Mr. Donatucci became assistant principal at Lincoln Junior High School.

"His charge was discipline, and yet the kids adored him and respected him," said Sue Ramstedt, a former special education teacher at Lincoln and now president of the District 57 school board. "He inspired kids. He inspired staff members. He just had a real good sense of what kids would respond to."

Mr. Donatucci retired from his school district job in 1984 to open his own business, Mighty Mites Awards.

"He said, `The name's been good to me,' and used it for the trophy business," his son said.

The company, which moved from Park Ridge to Des Plaines, is run now by another son, Sam. It sells sports trophies, awards and apparel and includes park districts and youth programs among its customers.

Mr. Donatucci remained active in the business until the late 1990s, when health problems forced him to retire.

In addition to his wife and sons, he is survived by a daughter, Kathy Schreck; a brother, Eugene; and 10 grandchildren.

Visitation will be held from 2 to 9 p.m. Friday in Friedrichs Funeral Home, 320 W. Central Rd., Mt. Prospect. Mass will be said at noon Saturday in St. Edna Catholic Church, 2525 N. Arlington Heights Rd., Arlington Heights.

TYLER BENZ SENIOR | QB/OLB | 6-30e | 215 | MAINE SOUTH

4 Sep 2009

You took your first snap at quarterback last week. How did it feel? It was nerve-racking, but I got accustomed to it. It was an excited kind of nervous, my first start at quarterback for Maine South, a different game speed. This is my time. You have become part of the OB tradition at Maine South. Do you feel a lot of pressure? Growing up, I always wanted to be part of it. Quarterback was an appealing position... The spotlight is on you. You are in control of the game. I watched film on all of the past quarterbacks. Coach Charlie Bliss points out the good things they do, and I try to incorporate it in what I do. No. 1 vs. No. 2 tonight at Maine South. Are you ready for this? A lot of pressure is taken off me because of [running back] Matt Perez. I don't have to do everything. It's a real important game but not make-orbreak. It's Week 2. We can measure how good we are, where we are at, how much we need to improve. How long have

you been groomed for this job? Since eighth grade. Before that, I was an offensive lineman or fullback because I was a lot bigger than most other kids. Jim Dihu, the head coach of the Park Ridge Falcons youth team, knew my brothers were quarterbacks and felt I could be a good quarterback. When he switched me from fullback to quarterback, I liked the idea. Coach Dave Inserra said you can be the best QB in school history, better than two previous Sun-Times Players of the Year. Your reaction? I have some big shoes to fill. Hopefully, preparation can help me to become the quarterback they want me to be. What can you do that Charlie Goro (last year's Player of the Year) couldn't? I have more patience in the pocket. I can take a hit more. What do you remember most about last season? Winning state and celebrating afterward. I never will forget that. Also, I had an interception against New Trier where I dove behind the

Maine South's Tyler Benz will be one of the keys tonight when the No. 2 Hawks host No. 1 Wheaton Warrenville South. You also start at outside linebacker. Which position do you prefer? If you could talk football with any three people, who would they be?

guy and caught it somehow. I don't know how. If you could be any QB, who would you be? Peyton Manning because of his knowledge, how he reads defenses and picks opponents apart. The toughest aspect of being a QB is ... Following Charlie Goro, all the expectations, the pressure from everybody. People think I'm the next Charlie. Realistically, I'm not. What don't people understand about the spread offense? We have so many options on each play that we can run, at least three based on what the defense looks like. Quarterback because I like the spotlight. You don't get as much attention on defense. Will you play quarterback, linebacker or tight end in college? I hope I can find a program where I can play quarterback. I want to go

Where I can get a chance to play. Jay Cutler, Walter Payton and Dick Butkus. I'm a Bears fan. Superstitious? I always wear the same shirt under my pads. It's in memory of a cousin, Chance Walker. I couldn't play a game without it.

QB Brian Collis on WR Jon Arenas: 'I know where he's going to be, and he knows where I will throw it.'

NOVEMBER 5, 2015, 1:36 PM

A year after averaging 21.8 yards per reception for the Maine South football team, Jon Arenas has been a marked man by opposing defenses this season.

"I think I made a name for myself last year, and teams picked up on that this year, keying on me for that deep ball," Arenas said. "This year, it's been more short passes, but it's been good, too."

However, the 6-foot 3 senior receiver caught a season best three touchdowns in the 11th seeded Hawks' 35 20 win over 22nd seeded Plainfield North in the first round of the Class 7A playoffs on Friday, Oct. 30. The

highlight for Arenas, who finished with five receptions for 105 yards in Park Ridge, was his 70-yard touchdown on a post route.

Maine South senior quarterback Brian Collis said he was happy Arenas broke free for a big game on Friday, Oct. 30.

"We got some good matchups that we were able to take advantage of," Collis said. "[Arenas] runs such great routes, but he has the hard job. My job is easy. I just have to throw to the open receiver."

On the 70-yard touchdown strike, Maine South went with an empty backfield and lined up five wideouts. Arenas was split out far to the right. With Plainfield North in man coverage, Arenas used a double move to get separation over the middle. He said Collis lofted a perfect pass to him in stride.

"Brian's so good about finding the open guy," Arenas said. "I just found a seam, and he got the ball to me."

Arenas and Collis each said the connection between the two is strong. They first played together on the Park Ridge Falcons in eighth grade and again on Maine South's freshman A team. The two played on different Maine South teams as sophomores before re-uniting last season.

"We both are on the same page," Collis said. "I know where he's going to be, and he knows where I will throw it. If a corner is playing eight to 10 yards off of him, he will look at me and I might hit him on a quick slant. He knows when to run certain routes and how to position his guy."

Maine South coach Dave Inserra said Arenas has gone from the "third or fourth option" as a junior to the team's go-to receiver. Arenas has 50 catches for 626 yards (12.5 average) and seven touchdowns this season.

"We know teams have been focused on shutting him down," Inserra said. "Teams aren't going to forget about him. He's been very reliable for us."

Also a standout on the basketball team and in the classroom, Arenas said he will have a difficult decision in the coming months on whether or not he will play a sport — and which one — in college. He said he has an offer to play football for Dayton and some Ivy League teams have expressed interest. Although he has no basketball offers, he said Washington University in St. Louis has been in contact with him.

"I love both sports, but academics is first for me," Arenas said. "I will look at how a school fits me academically, socially and athletically and then make a decision."

Getting to know Normal Community: The Ironmen, the 2006 Class 6A state champions, are in the postseason for the 20th consecutive season. They won their third playoff opener in a row by beating Schaumburg in Normal. Offensively, Normal averages 41.7 points per game and is led by junior quarterback Grant Price. He finished 20-for-26 for 179 yards against the Saxons. Senior running back Alec Bozarth is the starter, but he left the playoff game in the fourth quarter with leg cramps after gaining 64 yards on 11 carries. His backup, sophomore Varshaun Dixon, ran 11 times for 78 yards in the fourth quarter. On defense, the Ironmen are anchored by senior defensive linemen AJ DeVecchi and Garrett Hirsch and senior safety Andrew Gregory, a Northern Illinois recruit.

Sound bite: "They have a good football program, and they are the big-time sports school down there. They win at everything." — Maine South coach Dave Inserra

All are phrases that describe the current Maine South football team, which, despite being the 26th seed in Class 8A, has reached the program's first state title game since 2010.

ADVERTISEMENT

It's not the first time a Park Ridge team has displayed those qualities in recent years.

When Maine South (10-3) faces top-seeded and defending state champion Loyola (13-0) at Memorial Stadium in Champaign at 7 p.m. Saturday, the game will feature several players who were part of the 2012 Park Ridge Falcons youth football team that defied the odds and finished third in the nation at the United Youth Football League Championships in Tampa, Fla.

Maine South senior quarterback Nick Leongas, senior linebacker Michael Pusateri, senior lineman Kevin Jarvis, senior wide receiver Matt Holbrook and senior lineman/kicker Sean McNulty were just a few of the players on that team, who, as eighth graders, offered a sign of things to come.

Loyola's starting senior inside linebacker Anthony Romano, a former Park Ridge resident, also was a prominent member of that squad.

"We never had a harder working group than that team," said Jim Sparks, a Park Ridge resident and longtime youth coach who was in charge of the 2012 Falcons. "You could tell they were all about football. All they really wanted to do was play. They were a unique group. It doesn't surprise me they would be successful (in high school) because even as eighth-graders, they had such a passion for the game and knew they could overcome any obstacle that got in their way."

Sparks, who was part of the Falcons program between 2008-14 and also coached teams that included future Maine South standouts like quarterbacks Matt Alviti and Brian Collis, said no youth team was as close as that 2012 squad.

The Greater Chicagoland United Youth Football League had an all-star team and if a player was named to the team he no longer played on his local team.

"None of our guys went out for it," Sparks said. "They were dedicated to their Falcon team and winning the (league) playoffs, which was more important than individual accomplishments."

Park Ridge defeated Villa Park in the Greater Chicagoland UYFL Championship Game that year to earn a trip to nationals in Tampa, Fla. The Falcons program had won national championships at various ages in 2002, 2006, 2007 and 2009, but the 2012 squad wasn't necessarily seen as a threat by the other participating teams.

In fact, Holbrook, who played wide receiver and defensive back, remembers the reaction the Falcons received when they first arrived at the big event.

"We went to registration and guys on other teams were laughing at us thinking we were some joke (because of a lack of size)," said Holbrook, a Park Ridge resident. "But we ended up winning third place and gained respect."

In Tampa, the team played four games in six days, beating a team from Orlando, Fla., and upsetting a previously undefeated team from South Carolina. After falling to a squad from Baltimore, the Falcons rallied in the third-place game to defeat an opponent from New York.

"One of the best years of football I've had," said Pusateri, a Park Ridge resident who began the 2012 season playing on both lines, but moved to linebacker in the second game. "We were all just best friends and just had fun playing together. We were just a bunch of short kids from Park Ridge, Illinois."

Sparks said he's proud to have played a part in the kids' development, though he said Maine South coach Dave Inserra and his staff deserve the credit for developing the players and putting them in position to succeed on the varsity level. Trip to youth nationals foreshadowed Maine South's run to state final - Reader Mode

According to Sparks, many of the players' roles at Maine South this season are similar to what they were on the Falcons in 2012.

"I remember Pusateri was the heart and soul (of the team), like he is today at Maine South," Sparks said. "When the team was down or struggling a little bit, Michael always said the right thing to the guys, and he led by example and did an awesome job."

A 2012 Park Ridge Falcons <u>highlight video on YouTube</u> shows Leongas, playing quarterback and wearing his familiar No. 4, improvising and making spectacular throws on the run, just like he's done all season for Maine South.

Leongas appeared destined for future success. But some may have wondered if it was truly meant to be after Leongas had two knee surgeries, one causing him to miss his sophomore season, and suffered a broken jaw, which limited his time as a junior.

Sparks said he always knew Leongas would bounce back and show the wider world his playmaking abilities.

"I knew that Leongas, if he had a chance to stay healthy, if he got on the field, that he was not going to come off," Sparks said. "(Back in 2012) he was too talented and had so much poise and great leadership in the huddle. I knew if he could stay healthy, he would one day be the quarterback at Maine South."

In the state championship game, Leongas almost certainly will find himself trying to run away from and past his former teammate Romano, who is now a 6-foot-2, 220-pound senior inside linebacker for Loyola.

Romano lived in Park Ridge until he was in eighth grade and attended public school with many of the current Maine South players in addition to being their teammate. His older brother Alex Romano was a wide receiver and backup quarterback on Maine South's championship teams in 2008 and 09. The family now lives in Island Lake. Anthony Romano broke his ankle in the first game of Park Ridge Falcons' 2012 season and was out until the playoffs But Sparks said Romano returned for the postseason, including the games in Florida, making a big impact at fullback and linebacker.

"He just tore it up in the playoffs," Sparks said. "I think him coming back pushed the team over the edge. We were a really good team, and then Romano came back and you could just see the intensity go up."

Romano calls that season one of the highlights of his career.

"(Playing in Florida) was awesome and something I'll never forget To be that young and play on such a big stage and against teams from all over the country is a special experience," said Romano, who said he hugged his former Park Ridge Falcons teammates after Loyola's 44-43 win over Maine South in Week 2 of this season

Romano said he finds it interesting, though hardly surprising, that he'll be seeing those familiar faces again in Saturday's state championship game.

"It's funny how things go full circle," he said "It's going to be a great sort of situation to play in. Coming into the playoffs, people were doubting whether Maine South would go far. But I knew they would give it everything they could. It doesn't surprise me that we're facing off one more time "

Park Ridge youth football programs prepare players to fly as Hawks

Before they can take their place as Maine South Hawks, many local boys suit up as members of Park Ridge's two youth football programs.

With the high school season kicking off, more than 500 members of the traveling Park Ridge Falcons and the Park Ridge Football house league are gearing up for their own seasons as well.

During an August evening at South Park, Falcons players, ranging in age from 10 to 14, warmed up with stretches, passes and runs around the perimeter of the park, their coaches keeping a close eye.

There's no slacking off here.

"You've been doing this long enough — when we say get your helmets on, you get your helmets on!" a coach shouted at a group of players on Aug. 20.

Dave Marquardt, president of Park Ridge Sports Inc., the organization that oversees the traveling Falcons and house leagues, says it's fair to say the program is a tough one – but with good reason.

"It's primarily to prepare them for competition," he said.

And, for many, that competition will eventually take place on Maine South's Wilson Field.

"As a whole, the program does a good job of preparing kids for high school football," Marquardt said.

"It's like a springboard to Maine South," added Joe Petrucci, assistant coach of the Falcons' Pee Wee division, which consists of boys 10 through 12.

The two programs date back decades in the city. Both the Falcons and Park Ridge Football merged earlier this year under the Park Ridge Sports, Inc. banner. The program is a Park Ridge Park District affiliate, which allows players to use park district fields for practice and games.

Players range in age from 5 to 14. The youngest athletes play flag football in Park Ridge Football's house league before moving on to tackle football at around age 8. They also have the option of trying out for the Falcons, who play teams from other communities.

Players are placed on leagues based on age and their size, coaches say.

With the Falcons players wearing red, black and white uniforms, they already look like Maine South players — albeit smaller in size.

"It would be a cool experience to play for all the fans that you have and to be an inspiration for some kids," said Petrucci's 11-year-old son, Chris, of one day playing for Maine South.

But he has bigger dreams as well.

"I'd just like to got a Division I college that has a good football team and good education," Chris said.

Joey Marino, 12, says his love of football comes from his father, who played in high school, and his grandfather, who was a college player.

"I look up to him," said Joey, who was wearing a Maine South Hawks T-shirt to practice.

Youth football players also have recent Maine South players to look up to as well. Matt Perez and Lee Toulon, who played on three state championship teams between 2008 to 2010, are among the coaches within the program, Marquardt said. Other coaches played as well, like Marquardt, who also was a Falcon from 1975 to 1980.

"I enjoy the game of football and I enjoy giving time back to the community and helping the kids in the program," Marquardt said. "It was the founding fathers [of Park Ridge Football] who helped me and now I want to do my part."

In addition to learning the finer points of the game, teamwork is undoubtedly a focus of the program, coaches say.

"We try to teach them the idea and concept of teamwork, not letting one of your teammates down and being responsible for the team,' said Brian Lowery, an assistant Falcons coach. "We also try to teach them that sometimes you can make a bad play, but you shrug it off and you come back and try harder next time."

The program also benefits kids from a health aspect, said Pat Novak, head coach of the Falcons Pee Wee league.

"We've taken kids that have been overweight and they've lost a lot of weight," he said. "Last year, a kid lost 30 pounds after playing on our team."

Players are also being taught a new way of playing the game, some coaches say. Increased awareness of concussion-related injury in sports and its lasting effects has led to changes in how youth football players are coached in tackling, Petrucci said.

"Coaching the game now, I think we'll all agree, is totally different than when we played," he said. "When we played we were told to lead with the head and put the head on the ball. Now it's all shoulder-oriented. Kids are taught to avoid helmet-to-helmet contact."

Teaching safer play at a younger age gives kids the fundamentals they'll need when they get to the high school level, said Brian Lowery, another Falcons coach.

"When you start with kids who are 6 years old, it's a lot easier to mold them to play and keep their head up," he said.

Through Park Ridge Football's association with USA Football, a national governing body, all coaches receive training in concussion recognition and protocols, according to the program's website.

"If a kid is suspected of having a concussion, he has to get his doctor's note," Novak said. "It used to be they'd just come back to practice."

Park Ridge Football also partners with ATI Physical Therapy, which offers injury screening and concussion management, the website says.

The program is open to kids from outside Park Ridge as well. Though boys make up the bulk of the membership, it's not restricted to one gender. Marquardt said there are currently two female players on the house league.

"It's good," he said of their participation. "We've also had interest from some others."

And while many members of the house league will try out for the Falcons after developing their skills, "it's not the path everyone takes," Marquardt explained. Some players prefer the house league because the season is shorter and may not overlap with other sports they want to play, he said.

"I think both programs have their value," he added. "When you start at that age — seventh and eighth grade — boys especially are developing at different rates. Someone who may have been a smaller house league player might two years later be one of the top freshmen players."

Park Ridge Park District Affiliate Organization Agreement

Purpose

The Park Ridge Park District (hereafter "Park District") recognizes that certain organizations exist within the community whose purposes are to serve and enhance recreational opportunities for a specific purpose and group. These organizations are separate and independent from the Park District and provide for their own leadership, organizational and operational structure. Although the stated missions of the organizations may differ, the contractual relationship between the Affiliate and the Park District creates a mutually beneficial environment in which to provide quality recreation for all the individuals served by the parties, as well as the general public. The Park District recognizes that at times it is in the best interest of the community that the Park District work with outside organizations in coordinating, integrating and consolidating the planning and provision of recreational facilities and programs when basic functions are compatible and a public benefit may be derived. Through working relationships with outside organizations and joint efforts, each party can contribute to greater public service without relinquishing their separate identities or any of their individual responsibilities.

To this end, the Park District is willing to establish a working relationship and cooperative Agreement with the (*name of outside organization*) (hereafter "Affiliate"). With this Agreement, the parties will define the working relationship, mutual expectations, and individual responsibilities. However, this Agreement cannot be considered absolute; but shall serve as a frame of reference. Standards outlined herein insure that the parties' concept of joint planning, use, and maintenance is followed to the maximum extent possible, while retaining the essential freedom of discretion, decision and action in planning, developing and maintaining recreational programs.

- I. Criteria, Conditions, and Definition of Responsibilities
 - 1. The Affiliate shall provide its own leadership, structure, and manage its own operational duties.
 - 2. The Affiliate shall conduct its own financial business and be financially selfsupporting.
 - 3. The Affiliate shall have its own volunteer governing board with adopted written bylaws or guidelines to guide the board in policy-making decisions, and;
 - a) The Affiliate shall be a not-for-profit corporation or organization dedicated to offering and promoting recreational activities which are compatible with and supplement Park District programs.
 - 4. At least 51% of the members/participants of the Affiliate should be residents of the Park District.

1

Any Affiliate whose members or participants consist at any one time of less than 51% of District residents shall timely advise the District in writing and provide an explanation.

- 5. The Affiliate may enter into sponsorship agreements with third party entities provided that the proposed sponsoring entity would not conflict with a current Park District sponsor or activity, or the proposed sponsoring entity does not promote offensive or illegal activity based on law and Park District policies. The Affiliate must submit a written request to the Manager of Marketing and Public Relations of the Park District seeking approval to enter all sponsorship agreements with potential third party entities prior to the execution of a sponsorship agreement. Affiliate sponsorship requests will be promptly reviewed by the Manager of Marketing and Public Relations and approval will be granted except in the sole discretion of Park District when the proposed sponsoring entity does not meet the requirements in this section. Otherwise, the approval shall not be unreasonably withheld. T-shirt sponsorship and program book advertisements are exempt from requiring written approval from the Park District, but still must conform with the requirements in this section. All fundraising activities must also be done in full compliance of the laws governing such activities.
- 6. The Park District shall not grant Affiliate status to more than one organization per particular activity or sport, absent an express finding by the Park District staff and approval by the Park District's Board of Park Commissioners that it would be in the best interest of the Park District to permit the existence of more than one Affiliate organization for a particular activity or sport. The major factor to be contemplated is whether the applicant is offering a significantly different service than the current affiliate, solely determined by the Park District.

Criteria for New Affiliate Consideration will consist of the following:

Must complete Application for Affiliate Status and show proof of compliance with the following;

- Not for Profit Corporation
- Charter or other evidence of legal status
- Statement of Purpose
- Volunteer Governing Board with Adopted Written By-Laws or Guidelines
- List of Officers and Members/Participants
- Show longevity as an organization with evidence of a minimum of 3 years in existence
- Submit financial statement showing solvency for the past 3 years
- 51% or higher Park Ridge residents
- A higher percentage of programs offered should be recreational vs. competitive, if applicable (the definition of recreational for this purpose is an all-inclusive program without try-outs, or precluding participation due to skill level).

• Must demonstrate how the applicants group is offering something different than the current affiliate in that sport or activity.

In addition to the above criteria, the Park District must determine that there is appropriate field, gym, or meeting space for the consideration of a new Affiliate, regardless of meeting all of the above criteria.

If the Park District staff or the Park District Board of Park Commissioners expressly find that there should be additional Affiliates for a particular sport or interest group, the Park District will first provide the current Affiliate in that particular sport or interest group the option to add the additional program (s) to their offerings.

If considering a second Affiliate for the same sport or interest group of a current Affiliate, the Park District will provide the current Affiliate in that particular sport notice in writing of its decision and an opportunity for a hearing to appeal the decision.

- 7. The Affiliate shall designate both a liaison and alternate liaison and provide the individuals' telephone numbers, emails, and other contact information to the Park District. The liaisons will be the primary person to communicate with the Park District on official communications relating to this Agreement.

- 3. The Affiliate will have financial responsibility to the Park District for any outstanding fees, supplies and equipment and/or money owed to the Park District and shall promptly reimburse the Park District. Any money owed to the Affiliate by the Park District shall be promptly reimbursed.

Severe Weather

Weather emergencies are defined as thunderstorms, lightning, tornado, severe rain, extreme cold, snow and ice storms.

Weather alert radios are located in all facilities. In anticipation of dangerous weather, these radios are monitored by a designated staff member for the duration of the time that the facility is open.

The District has installed Thor Guard lightning detection systems and the horns are placed at the following locations: Maine East High School, North Park, Northwest Park (Franklin School), Oakton Park, Woodland Park, Ni-Ridge Park, Jefferson/Emerson School site, Hodges Park, Northeast Park (Field School), Maine Park, Carpenter School, Hinkley Park, Centennial Park (Lincoln/Washington Schools), Maine South High School, South Park (Roosevelt School), Jaycee Park, Brickton Park, Southwest, and Prospect Park.

The systems are designed to alert staff and patrons when the weather conditions exist where a lightning strike could be possible. When the alert siren sounds, staff ceases outdoor operations and clears everyone from the outdoor areas into the building. Staff and patrons are required to wait for the "All Clear" siren before resuming outdoor activities. (One long blast – clear area; 3 short blasts – continue activities.)

The news media within the Chicago area uses the following steps to inform the public of a possible or approaching tornado:

Tornado Watch

Conditions exist which may result in a tornado within the area outlined. This is the time to remind your staff of the weather safe area in the facility and to listen to the radio for further developments.

Tornado Warning

A tornado has actually been sighted or its presence detected on radar in the area outlined in the tornado watch. Warning will indicate where the tornado was discovered and the area through which it is issued. Immediate safety precautions should be taken. All staff and patrons should move to the weather safe area in the facility immediately and wait for the warning to expire.

The City of Park Ridge operates a warning system to alert residents of impending tornado activity. A test of the weather-warning siren is conducted on the first Tuesday of the month at 10 a.m.

Facility Supervisors/Managers and Program Supervisors are responsible for alerting activity and group leaders within their area of responsibility of the potential for hazardous weather activity. Each program/activity should have its own facility or program specific procedures for reacting to potentially dangerous weather. This includes groups that use recreational areas of the District on a rental basis.

The safety of District patrons and employees is our primary concern. Supervisors/Managers are charged with using common sense and erring on the side of caution when making decisions on curtailing or canceling activities. If imminent danger is judged to exist, children should not be released unless a parent or designated responsible adult is present, and then only after warning the adult of the potential hazard.

Each Facility Supervisor/Manager is charged with communicating the best location for patrons and employees to move in the event of a weather emergency. These locations need to be displayed on all evacuation maps.

The following basic steps should be taken for the two most common weather emergencies: lightning/thunder and tornadoes.

- 1. Lightning/Thunder
 - a. Stay calm.
 - b. Follow Thor Guard Alert System, if it does not sound, suspend programming for a minimum of 15 minutes from the last sighting of lightning/thunder.
 - c. Move all patrons and employees indoors or to other appropriate shelter for that facility/program.
- 2. Tornado
 - a. Stay calm.
 - b. Warn everyone of impending severe weather.
 - c. Move all patrons and employees to the appropriate weather safe area for that facility/program.

PARK RIDGE SPORTS, INC.

For the prosperity of youth in our community

December 13, 2016

Board Members,

It is with much difficulty that I submit this letter of resignation from the Park Ridge Sports, Inc. Board of Directors. Over the past 49 years, Park Ridge Football has provided a tremendous program for the boys and girls in our, as well as several other, communities. I am glad that I could be a small part of that success.

Serving with each of you on the Board of Directors has been both an honor and a privilege. That is the main reason why it is hard for me to write this letter of resignation. I will resign my position on the Board of Directors effective December 31, 2016. After 13 years of coaching and serving as a board member for this organization, I can no longer meet the time and energy requirements this program deserves. The time has also come to devote more energy to my family.

Please know that I have thoroughly appreciated and enjoyed the opportunity to serve with you all to further the love of the game of football and sport of cheerleading. I am proud of our collective achievements and the significant progress the program has made toward improving youth football for our community's young athletes. I am particularly honored to have served as President of this volunteer organization, and I am truly grateful for the extensive assistance each of you offered. As a Board and as individuals, you are all tremendously dedicated volunteers, and I feel lucky to have volunteered by your side. I am humbled by the amount of time each of you dedicates, not to mention the <u>years</u> of service put in by several special individuals over the years such as Sam Donatucci, Tom Gavlin, Jim Neville, Garry Abezetian, Jim Toulon, Jim Dihu, and Al Czech to name a few. I hope that you all will continue providing excellent guidance and oversight of Park Ridge Football through the program's 50th year celebration and beyond.

I know I will miss the interaction with the players, coaches, families, as well as the community. I will continue to lend my support to the program as time permits, and I am willing to make time to assist you when possible. I look forward to seeing all of you down the road in a setting where my blood pressure is lower. Keep up the hard work, and know that you have helped put a smile on a lot of kid's faces.

Sincerely,

earter

I believe that is consistent with all other actions so far this season

I am hopeful this puts to rest that particular situation

Minutes of the Board of Directors' Meeting

(11 - 14 - 78)

The meeting was called to order at 8:20 P.M. by President Zobel.

In attendance were:

Directors	-	Mike Fallon	Tim Sheehan	Tom Gavlin
		Chuck Simo	Bill Scherer	Steve Patt
		Bruce Wochinski	John Akouris	Leon Toulon
		Tom Zobel	Bill Murphy	
		Dick Loh	Tom Moore	
Members	-	Garry Abezetian	Sam Abezetian	
and a second		Grey Abezetian	Mel Greathouse	

Women's Club Rep. - Judy Wittmus Wrestling Program Rep. - Stino Milito

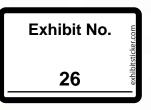

The Treasurer's Report was given by Mr. Wochinski. The Treasurer stated that the savings account has \$10,167.00 and the checking account has a balance of \$4,210.00. There was \$10,293.00 in disbursements and \$10,605.00 in receipts, leaving us with a total cash balance of \$14,377.00.

Ad Book: John Akouris reported that there was \$3,855.00 in gross sales for the 1978 Ad Book, with \$2,155.00 collected and turned in as of tonight, and with \$1,700.00 still outstanding. This should all be collected and turned in by the end of December 1978. Mr. Akouris feels that a good nucleus for another successful yearbook in 1979 has been established.

<u>Women's Club</u>: Judy Wittmus reported that the Women's Club would like the revenue of \$7,000.00 raised by the Women's Club to be spent along the following lines - i.e., Wrestling Equipment, Football Equipment - especially helmets for the Traveling Widgets, and the possibility of a Scoreboard.

Mrs. Wittmus also reported that the photographer cost us approximately \$582.00 for our team photos. Mr. Murphy commented that he was displeased with the photographer and that improvement was needed in this area. Mr. Simo further expounded on Mr. Murphy's comments, stating that the photographer did a terrible job on the team pictures and handled this part of the pictures poorly. On the other hand, he did a good job on the individual photos. Mr. Simo further stated that the photographer did not perform as he said he would. Mr. Marquart commented that the picture retakes would not have been necessary if the photographer had done the job properly in the first place.

<u>Traveling Team Report</u>: Mr. Patt reported that the season ended last Sunday, November 12th, 1978, with the Junior Traveling Team finishing in 3rd place, which is the highest finish ever for the Juniors in the conference. The Pee Wee's lost in the 1st round of the playoffs. Mr. Patt, Mr. Greathouse, and Mr. Simo are all looking forward to a good season next year.

<u>Widget League:</u> Mr. Sam Abezetian reported that with only four teams in the Widget League this year, there was some problem with scheduling. Mr. Abezetian also said need to get more boys in the program. There also is some problem in the Southwest Park area due to both Mary Seat and Park Ridge Sports running similar programs. In general, Mr. Abezetian stated, the program went well.

The problem of enrollment in our program was opened up to the floor and, after much discussion, Mr. Zobel recommended the coaches, directors, and members to write down their suggestions and turn them in to the League Directors.

<u>Wrestling Program</u>: Mr. Stino Milito reported that presently there were about 30 boys in the program and that he was hoping to have about 40 boys total. Presently he has 5 or 6 coaches who know wrestling and he asked for additional coaches from those present at the meeting. This year, the program is again using the Wrestling Room at Maine South at no charge, although this might change at some time in the future.

On December 9th, the 1st Tournament of the season will be in Joliet, Illinois, and Park Ridge Sports will be represented by only 5 or 6 boys because of the competitive level of the tourney. In the middle of December, the Conference which we joined this year, starts its season with 13 teams. All boys will wrestle in age/weight classes.

Mr. Milito then brought up the subject of equipment needed for the program and entry fees for tournaments.

This was discussed at length and a motion was made by Mr. Moore that \$1,000.00 be advanced to get the wrestling program started, and that in December 1978, Mr. Milito submit a budget to the board. Motion was not seconded, therefore motion died.

Mr. Patt made a motion that Mr. Milito be allowed to spend up to \$250.00 in excess on the registration fees collected and that Mr. Milito present a full budget report on income and expense by the December 1978 meeting. If additional funds are needed, the request will be considered after the budget has been presented. Seconded by Mr. Toulon.

11 YES 1 NO Motion Carried

Equipment: Mr. Fallon reported that we need to order the new helmets for the Widget Traveling Team and inserts for the Junior Traveling Team helmets, and that this should be done before 12-31-78 in order to obtain a substantial savings in cost. Mr. Fallon is to report on these costs at the December 1978 meeting.

<u>Park District Report</u>: Mr. Gavlin reported that there is talk at this time of Northwest Park being closed next year for improvements, which Park Ridge Sports has been trying to get done for the last 5 or 6 years. The rumored improvements consist of drainage, crowning and reseeding of the field.

Mr. Greathouse brought up the problem of the Flag Football Program at Hinkley Field interfering with his practices during the last two weeks of the season. Mr. Gavlin responded by saying that there is an understanding with the Park District that we would be off the field by 10 minutes to eight.

Mr. Patt made a motion that no fields committed to Park Ridge Sports be used by an other programs during the alloted times.

Park Ridge Youth Football and Cheerleading Reorganizes

After 48 years in operation, Park Ridge football and cheerleading, an affiliate of the Park Ridge Park District, is headed in a new direction thanks to a recent effort led by the leaders of both the Falcons travel league and the House football league. Prior to the vote by the Boards of both leagues last month, the two leagues were run by separate boards and generally functioned separately with one oversight board under Park Ridge Sports, Inc.

When the singular Board was reinstituted, new officers and new Directors were elected following the vote to reorganize. The vote realigned the travel and house programs back under Park Ridge Sports, Inc. instead of operating independently as separate leagues. The move will bring a greater efficiency in managing youth football and cheerleading, while providing a positive experience to more area youth.

"We are excited about the 2015 youth football and cheerleading season," says Dave Marquardt, the new President of Park Ridge Sports, Inc. "We are continuing the tradition which began in 1967 yet have reorganized our programs to allow more young people to experience the fun of football and cheerleading while learning valuable athletic and life skills."

Marquardt added that there will be a greater emphasis on safety and having fun with friends and less on winning championships. "Everyone plays to win but we want our players and cheerleaders to have a positive experience at whatever level is most appropriate for the individual's size, age and skill level."

Due to the growing interest of flag football, the new league will continue to offer the flag option to players as young as five years old. Older children will be offered the option to participate in flag or tackle. Ages for football and cheerleading are 5 to 14 years old.

The newly elected officers are Marquardt as President, Garry Abezetian as Vice-President, Rob Guzaldo as Treasurer, and Robert Leach as Secretary. The new program directors are Al Czech, Anna Hagerty, Tony Porrello, Jim Dihu, and Jim Toulon.

Registrations for the 2015 season begin with mandatory online pre-registration in April. All youth players and cheerleaders are required to pre-register online prior to attending one of the May/June registration sessions in-person. Parents shall bring their online receipt, a copy of their child's birth certificate (new football players only), cash or a check payable to "Park Ridge Football" (if not paid online) to one of the registration sessions. In addition, tackle football players must be present at a registration session for helmet sizing and weight verification.

The organization teaches the core fundamentals and rules of the most popular sport in America. Young athletes have the opportunity to compete in an organized football league or cheerleading on sidelines and competitions that promotes fun, teamwork, and friendships, as well as self-respect and discipline, in an atmosphere where safety is a top concern.

Open to all area children, the program consists of cheerleading and six divisions of football which are classified according to type of football, age, and weight. Teams are structured to promote neighborhood friends and schoolmates to participate together as long as reasonable parity and fairness is maintained or accounted for.

Committed to providing a safe, positive, and nurturing environment, Park Ridge Football and Cheerleading help both players and coaches have fun together as they develop strength of character, build self-esteem and realize personal development. Park Ridge Football is a member of USA Football, a national governing body for amateur football which promotes Coach Certification and Heads Up Tackling programs to educate, develop skills, create change, and address complex challenges for both coaches and players. Park Ridge Cheerleading is associated with the Illinois Recreational Cheerleading Association (IRCA) for coach certification. I THOUGHT THE REASON WE WERE NOT GOING TO AYF IS BECAUSE THEY UPED THE WEIGHTS. I ALSO THOUGHT WE DECIDED TO STAY IN THE NWYFL BECAUSE THE PARENTS WERE HAPPY ABOUT PLAYING OUR NEIGHBORING TOWNS. WHAT WAS THE HOLD UP FOR THE NWYFL NOT GETTING BACK TO US TO LET US KNOW IF WE WERE BACK IN ?

-----Original Message-----From: JDIHU@aol.com [mailto:JDIHU@aol.com] Sent: Monday, March 06, 2006 3:28 PM To: Garry.Abezetian@grainger.com Cc: Al Czech; TIGIT@aol.com Subject: (no subject)

Garry, John, and Al:

I notified the AYF about our true structure and to my surprise, the AYF has already said that they would allow our program to be under one organization with the House League for Affiliate purposes. They understand that Park Ridge Sports is the affiliate and that both the Falcons and House League operate under this board. Their only concern is to make certain that anyone who wants to be a Falcon is allowed to be without any cutting which is what we were going to do. As far as I know, this is what we will continue to do.

As you can see, the 80 players are distributed more evenly along AYF weights which is what we advertised for. We did have a good amount of new 10 year olds sign up the other day which is a good sign. NWYFL wants us to be in every level including Blue (almost same league as JH, but with 10 pounds less for 9's). AYF will not require anything below Jr Pee Wees and the Pop Warner towns are coming over. I have a league meeting for the AYF tomorrow (March 7th) and I would like to know what we should be going forward with. I have yet to hear from NWYFL (as usual) as this league is slow to respond with everything so we are not definitely in there yet and we don't want some conditions that some of these towns are requiring. You know my opinion that if House League and NWYFL is not a good mix, then AYF is better for us. I still cannot make a logical proposal to change house weights to better match the NWYFL, either. Let me know what you think we should do based on this development of the AYF accepting the actual football program structure as house and travel being part of the same program.

Hello,

My wife had registered my son Robert "Hunter" Wolf (Date of Birth 11/7/2008) Emerson Middle School for the "Park Ridge Falcons". Her intent was to have him in the "original" Park Ridge program and not the "new offshoot". Hunter has 3 friends on coach Dan Obrien's team and was there yesterday. He really has only played 1 season of flag football, but he is excited about the opportunity to learn the game of football.

Dan sent me a text this morning to register, but the link I received just has an option for the waiting list. Can he register still? I would prefer he plays on this team, and I know equipment pick up is tonight. Please help.

Thanks,

Bob Wolf

Hi All-

Dial in tomorrow night (Wednesday, March 18th-7pm) for our March meeting:

Con-call info:

Participant Passcode - 4039566081#

Dear Board

I hope you and your families remain healthy during all of this chaos. I just spoke with my nephew who has the Coronavirus so I am keeping you all in my prayers as well as him. Best I can tell he is starting to feel a little better after having been fairly sick for the past few weeks. Hoping he progresses well quickly. I know this is a stressful time for most everyone personally and professionally and health and family are truly the most important things for us to worry about right now.

As we will likely not have a meeting space available for the next month and maybe longer I am moving Wednesdays meeting to a conference call and we arelikely to do the same for the April Board Meeting but will decide on that

later. We are still assuming that football will be played in the fall and thus need to prepare for the season. Before I left for Nashville I sent an email on one important vote that will be called at the beginning of the meeting. I understand it is controversial and that strong opinions exist and have given everyone plenty of time to discusses with each other. Assuming the vote receives a 2nd I will then allow for 10 minutes of discussion and then call for the vote. We must move to other issues affecting the remainder of the program on Wednesdays call. The votes will be texted to Katie and Kristin at the same time and each will confidentially tally and read the totals while allowing all individuals to vote confidentially. (Kristin as Secretary and Katie as Operations Manager) If either are unavailable then I will be the backup. Their Cell phone numbers are attached above

I took the Liberty of sending the information out with a High Level of Trust that this discussion would remain amongst the Board and not out into the mothers/fathers in town. I am disappointed but not surprised to hear that parents are aware of this upcoming vote.

That said the end game does not change and my opinion does not change

We truly do not have a House League nor have we for 2 years now. The numbers have not increased and we are faced with a decision to say do we attempt to remain in two separate Travel Programs or move for the 2020 Season to one program. If we move to one Program are we better suited in UYFL, Pop Warner, or any other program or does the Flexibility allotted us with the current CSYFL and (the potential of a few Crossover games with the Catholic League) best suit our program for the 2020 Season.

The Executive Board feels that although a difficult choice to make that this recommendation of the latter choice above (in essence community based travel football with neighboring towns) is the best case scenario for the 2020 season and this will be the recommendation that will come to a vote.

Whatever the outcome of the vote it is the responsibility of the Board to then decide what is communicated so that $\frac{1}{2}$ truths or partial truths and/or misinformation do not get out into the community and then to support this and make it work. We once again ask for you to adhere to that.

In either case this decision is not one that I or anyone I know on the Board takes lightly. Please understand that I personally take this program and our board very seriously, and have dedicated most of my adult life to serving our community and PRSI and am making this recommendation because I think it is the best possible scenario for our community. If the vote passes it is not perfect and is obviously not what everyone wants. Nor has the last two years been perfect, nor have the last 52 years been perfect. We have a very Diverse Board with strong business minds and acumen and with people who know and love the sports of football and cheerleading and understand their value to our youth.

The world is a rapidly changing place and this change in my opinion will suit us best until or unless we see significant changes in our numbers.

In closing please remember that we all come to these decisions from the perspective of what we feel is right (whether it be for our own kids and/or the program and/or the community). Please also remember that State Championships are won by Maine South and their coaches and players. I do not believe for one minute that we (PRSI) make State Champions nor do much more than create a lot of kids who love the sport for the Maine South Coaches to work with.

Some additional thoughts of mine to ponder...while I do not keep stats for Maine South you can be assured that this is 99% accurate from my memory:

1. There is no direct correlation to Youth Championships and Maine South Championships

2. There is no direct correlation to the number of kids who played on the same team in the youth program and State Championships

3. There is no direct Correlation to who we play against and State Championships

4. There is no direct correlation to where or (if) someone played youth football and at what position and if they started at Maine South and/or started at that same position

5. Many of you will argue with me so I will start with some facts

6. There are 11 players in the history of Illinois Football with 3 8A State Championships Rings.

7. Although all 11 graduated in 2011 from Maine South and played on the 2008, 2009 and 2010 State Championships, I do not believe that more than 3 of those 11 ever played on the same team together in youth football.

8. I believe 6 of those 11 were the only starters who started both on the 2009 and 2010 Teams. Of those 6 they played on 4 different teams as 8th graders

Several of them played house league their 8th grade season.
 In the 2008-2010 State Championships run roughly half or more of all starters played 'House league'

11. The 2010 State Championship Team was so Decimated with Injuries that over 20 different players may have started on defense that season and 15 or more different individuals started at one point or another on offense

12. In all over 30 different starters...not including additional special teams players...thus the importance of volume

13. At least one of those State Championship Years (the Travel Program 4 years earlier) we played in what was NW Suburban League (Palatine, Arlington Heights, Elk Grove, Prospect Heights, Portage Park, Mt. Prospect, etc.

14. Combining the 2008 and 2009 Seasons and then the 2009 and 2010 Seasons we see some interesting facts

 Over the 2008 and 2009 combined 2 Year State Championship Team Matt Perez was by far the Leading Scorer, Yard Gainer and offensive threat.
 Matt chose not to play Football in 8th grade

a team that had a losing season in the NW Suburban League and he later was a huge part of the 2008 and 2009 offense as were others from that team During the combined 2009 and 2010 Season Luke Motley was the Number 18 one TD Receiver and he played House League his entire youth career 19. The Number one receiving scorer in 2010 was Scott Derek whom I believe did not play any Youth Football and started one year in High School as a Senior 20. At least one of the 3 starting QB's during that 3 year run was not the starting QB in the youth program in 8th grade The 2008 and 2016 Teams did have a group of great young athletes who 21. played Travel together, but without the others there is no State Championship 22. The 2016 Star running back moved to Park Ridge later and did not

The same year as Perez. Sean Zingsheim played 8th grade Unlimited on

play his youth Football in Park Ridge

23. Approximately half the 2016 State Team starters were House League only kids

24. Jack Hoffman made two key plays in the State Game against Loyola a Fumble recovery and an Interception-again a House League only kid25. I do not believe for 1 minute that even one of the 6 State

Championships wins would have occurred without kids who either did one or more of the below:

- A. Did not play youth football
- B. Did not start as meaningful contributors in youth football
- C. Played House League when it was there

D. Played Freshman B Football and maybe did not start anywhere until their Senior Year

26. I am in no way underestimating the contributions made to all the State Teams by kids who played D1 Travel Falcons only, simply stating that there are some misconceptions about how many kids contribute that came from out of town, or no youth football, and/or House League only

We do not really love any of our options, we simply need to understand all of them and the Pro's and Cons, the truth is that based upon the current landscape our options are limited... It was my decision alone to hold an Executive Board Meeting and ask their opinions on these options. You can point all the fingers you want at me. However I am one vote of 12 votes amongst the largest and most diverse and opinionated Board this program has ever seen, 9 of you with kids currently in the program. Whatever the vote, we must find a way to pull together and execute against a plan for the greater good of the community. Let's not talk though as if we are surprised that we do not have a House League. Incoming 5th Graders who are in their 3rd year of Tackle Football have averaged 1-3 games a season against other Park Ridge Teams and then the remainder of the time played against basically the best that Evanston, Northbrook, Glenview, Highland Park, Deerfield and Skokie have to offer.

One more opinion...I will Hopefully make this clear that this is my opinion only and only meant for the Board...in most of the 9 Seasons where Maine South came in 1st or 2nd in State since 1995 we beat at least 3 teams in each of those seasons with better talent overall who fielded more D1 Players than we did. This is a testament to 2 things...The Maine South Coaches and the Volume of players they had on the Teams. In the 9 Seasons since the 2010 Season we have not gone deep in the playoffs except a handful of those seasons. In most of those cases you can contribute playoff losses to one or two key injuries and a lack of depth consistent with the declining population of our tackle programs. 2019 Freshman Class was the first major turnaround in those numbers as Freshman Football numbers skyrocketed last season and I do believe that a significant role in that was played by the insightful Board Members who came before me and took a stand on flag as a positive turnaround to the numbers we would eventually deliver. This is one key driver in my thought process. Lastly- I will remind everyone that (notwithstanding all of the above) nothing in our Charter is about winning State Championships or delivering Numbers to Maine South or any other High School. We are here as drafted 52 years ago...

Article I – Purposes

a. The purposes of the Corporation are to provide the youth in the Park Ridge area with an opportunity to participate in sports without regard to their ability and to combat juvenile delinquency by educating the youth in sportsmanship and good citizenship.

It is with this Purpose in mind that I have dedicated much of my life to this sport and our program and our community. It is never far off from my thinking.

I look forward to our discussion on Wednesday and then moving on to discuss at length the programs that effect the 800 plus participants in our programs who are in Flag and Cheerleading as the Board now needs to spend some quality time in those areas also

Spring and Fall 2020 Programs - Update

As more and more people from our community are being impacted by the coronavirus (COVID-19), we have of course paused our 2020 Spring programs, which included Competitive Cheer, Let it Fly QB-WR camp with Coach Bliss, and All American 7v7 opportunities, and are now practicing social distancing

Regarding the Fall programs and after many meetings and conversations between Board members and other key stakeholders, the Park Ridge Football Board voted 8-4 last night to put all of the tackle players best interests at heart (like many of our neighboring suburban communities have done long ago) and consolidate our 2 travel tackle programs This is very similar to the experience that many of you will have at Maine South when your child will come together as powerful teams under each of their classes

While we lost our House program for tackle football 3 seasons ago, the pressure to consolidate was created mainly by unlimited weight football (no stripers in D1 UYFL, i e 180 lb RBs and LBs) and related safety concerns as well as competitive challenges cited in our parent survey and Board observations last season. The new approach to travel tackle Falcons football better serves our basic need to fully prepare, unify, and condition our players to be successful in all of these very competitive travel-level games. In 2019, we had 13 travel tackle (Falcons) teams or about ~250 athletes compete in 2 travel leagues, and we expect a similar amount of teams for 2020 based on some of the highlighted changes below:

- · Improve player safety by greater player rotations, better coaching, and more balanced teams
- Improve coaching across all teams off-season coaches training to improve all player's development
- · Increase practicing and length of player conditioning by starting all travel tackle teams by Aug 1st

- Eliminate all excessive hitting limiting contact to less than 30 minutes in each practice like MSFB
- · Increase our winning and avoid unfair defeats by true elite regional teams like Joliet and Bolingbrook
- More local games < 30 mins from Park Ridge at our Parks and Maine South for more athletes
- · Compete against same nearby towns that feed MSFB's conference to continue our excellence and competitiveness, like Evanston, Glenbrook, Northbrook, Niles, Deerfield, and Highland Park Plus many of these towns feed Loyola Academy

This was a difficult decision and opinions were passionate We have had many different travel leagues in the last 20 years - 5 by my count We are excited about getting kids to play travel tackle football with many more of their friends Clubs are for other sports - we play football because it's the greatest team sport - no cuts through college, and we are glad that we aren't prematurely dividing our athletes going forward into 2020 It's clearly a better vision!

We appreciate your support of our programs and approach to supporting the entire football community!

Central Suburban & Park Ridge Youth Football Co-op Announcement

Today two of the Nation's most storied Youth Football Programs have announced their intent to form a co-op, which is believed to be the first ever in the Midwest. This co-op arrangement creates the leading youth football organization in the North Shore and Northwest Suburbs.

The Central Suburban Youth Football League (CSYFL) and Park Ridge Sports Inc. (PRSI) have formally agreed to a co-op for the 2018 Season. Both programs have contributed governing Directors to oversee the partnership. This Executive Board of Directors have quietly worked behind the scenes for several months to align the organizational structure and protocol in preparation for the 2018 season.

Both programs have taken an active leadership role in progressive training of coaches and players, regarding safety as a top priority. All coaches are certified through USA Football, the nation's leading authority on safety and skill development in youth football.

This partnership will allow more kids to participate in cross-over games, providing them the opportunity to experience new teams, players and communities. In addition, both programs are excited to announce the most exciting single weekend youth football event in the Midwest - The Halloween Bowl Series.

All teams from CSYFL and PRSI will participate in an end of season Bowl Game. The team match-ups will be based on team performance and recommendations from coaches and league directors. The Halloween Bowl Series will take place in Park Ridge between Friday night October 26th and Sunday night October 28th, with 50 or more teams expected to participate!

For whatever reason I am simply not able on my LapTop to work inside your word documents

I am copying you, Roy and Leach on a series of 3 emails (1 for each tackle division for weeks 1-4) hoping Katie can work within your format- and resend to you but I am going to try in the body of the email to state which park and time for the Park Ridge Tackle Games work for weeks 1-4

The first challenge is that we have already posted week 1 schedule.

Relating to Team Names versus your numbers for Junior League (Rookie Tackle) in order to make your numbering system work and assuming the first team listed is the away team I am asking if we can rename the PR Junior Teams (3rd and 4th Rookie) as follows

Steelers
 Saints
 Broncos
 Ravens

And that way your numbering system for the year still works within the games we already posted for week 1-it is simply renumbering the PR Teams

If so then for Junior Rookie Tackle 3rd and 4th Grade

Week 1 is as follows Sat Sept 8th

1 v 2 is Steelers versus Saints at 1:30 at Hinkley Park North 3 v 4 is Broncos versus Ravens at 1:30 at Hinkley Park South

Week 2 is as follows

Friday Sept 14th at Hinkley Park North at 6:30 pm 2 v 4 is Park Ridge Saints versus Park Ridge Ravens

Sat Sept 15th

1 v 8 is Park Ridge Steelers versus DFHP 11:00 at Prospect Park South

Week 3 is as follows Sat Sept 22nd is 6 v 3 is Glenbrook North versus Park Ridge Broncos 9:00 at Prospect Park South

Week 4 is as follows:

Saturday Sept 29th 1 v 6 is PR Steelers versus Glenbrook North 10:30 Hinkley Park North 7 v 3 is Glenview versus PR Broncos 10:30 Hinkley Park South

March 14 2019 PRSI Board Mtg started at 7:05PM- Maine Park

Roll Call:

Katie Brania, Jim Toulon, Matt Colleran, Rob Leach, Kristin Zabratanski, Garry Abezetian, Roy Hoffman, Joe Capesius John Capesius, Jamie Purcell, Tim Walbert, Jeff Kilburg Lou Karnezis were all present.

Treasurer report- Rob Leach:

- 3 accounts: \$50,268 (Operating Acct), \$52,856.69 (Capital Acct), \$1,000.86 (Corp. Acct)
- Rob passed out and reviewed (line by line in detail) Final 2019 budget
- Registration fees: all stayed same as 2018, with exception of Falcons \$350 (vs \$400)
- Vote to approve budget: Vote Passed- 2019 Budget approved

Equipment- Jim Toulon:

250 helmets dating back to 2013 possibly getting trashed by 2021

VP Report- Garry:

- There is a study to make Busse Hwy a bike route; could impact parking
- Garry recommended walkways and handicap accessible
- Lighting is old- need to be switched to LED, but Park District not fixing this year
- No Pavilion in budget
- PD wants to rent out Hinkley when not in use on Fri/Sat
- Garry will fight field audits
- Rob needs practice schedules by 6/30

Add'l Park District Updates- Jim:

- PD is renting out Pavilion and O'Connor Room- alternative is we can rent out (Pavilion only) for the season for \$800 cost
- Rob will join Garry at baseball affiliate meeting to address some of these field issues

House League Naming Options- Jim:

- Do we call both CSYFL & UYFL Falcons?
- Rob Leach motions to call House level tackle by the Falcons name so we would have Park Ridge Falcons (UYFL Travel league) & Park Ridge Falcons (CSYFL League), 2nd by Kristin.
- All parties were asked to weigh-in on their thoughts-discussion lasted most of the meeting other than the budget
- Board consensus was gained during everyone's roundtable discussion that Falcon naming for all tackle teams under Park Ridge Football would need to be done with several descriptors on website and during registration so that Div 1 and Div 2 parents and players both understood the key differences, which should help us get the right players in each division based on what was important to them vs recruiting to get a team.
- Vote was by roll call and passed by an overwhelming majority with 2 abstentions.
- Handout regarding talking points (attached) was received very well by the attending board members. Roy will use it as guidance for website and registration descriptors to inform parents of key differences. Differences will not include or allow calling one team competitive and the other development, or A vs B, etc.
- Falcons Division 1 Coaches discussed. Confirmed Perez 8th Grade 13U and Jeff Kilburg at 6th 11U, need 7th Grade 12U.
- Offer was recommended several times by Jim to put all interested parties in a room and go kid-by-kid to discuss
 potential placement recommendation for player/parents to consider (not mandatory)-meeting would need to take
 place on a Sunday afternoon in April-allow 3-4 hours. So far no one has responded with potential dates. Jim will
 send separate email
- Recommendation by Rob Leach revolving around an open evaluation occurring in late June or early July perhaps tied to the Maine South 1 day Camp run by Jeff or some fun activity to help attract the kid's participation.
- Falcons Division 2 players will be assigned teams based on a modified draft basis (same as last year).

Meeting ended at 9:30pm. Next meeting will be on APRIL <u>11TH</u> 7PM AT SOUTH PARK

Park Ridge Sports, INC. |MINUTES BOARD OF DIRECTORS MEETING

March 18, 2020| 7pm-9:00pm| Maine South HS

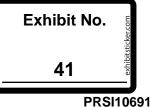

Attendees: Jim Toulon, Garry Abezetian, Roy Hoffman, Joe Capesius, John Capesius, Jeff Kilburg, Rob Leach, Mel Thillens, Jamie Purcell, Dave Inserra, (Kristin Zabratanski, Katie Brania, Matt Colleran- dialed in)

AGENDA TOPICS

President's Report | Jim Toulon

Executive Board Proposal-

- Last 5 years been talking declining numbers. Started committee LY. Have needed more recruiting on D1 side. Jim analyzed numbers- separate document; With an estimated 200-250 kids (likely on lower side of numbers) we can no longer support 2 programs & we've had 2 travel programs for 2 years. All the big programs, once lose House League and go to real travel program, a lot of kids drop out.
- · What is best thing as a program? Should we go all in on one program?
- Matt C said- Loyola gets majority of kids from Catholic League schools, a few from CSL, NW Side, Northern Suburbs Catholic schools
- Dave Inserra- need numbers & wants kids to get practices in. Worries about less competitive practices. Maybe have an elite team at 8th grade level- Pop Warner. Everyone else play CSYFL.
- · Jim- board will discuss more practice days/time this season
- Jim- disappointed people went outside board & reached out to parents, need to move forward; Pop Warner will let us have 1 team most likely. Our incoming D2 8th grade kids had a negative experience LY. We have big class of 8th graders, but parents are frustrated. Tim W said we have high expectations from 8th grade parents; worried about mixing talent. Tim worried about maturity level differences between 7th & 8th grade
- Matt- all the Catholic schools have combined 7/8th grade teams. 5/6th graders went over 500, only diluted by one grade (6th graders)
- Garry- will Pop Warner make us do out of state play offs? 3 games in one week? No
- Rob- problems with D2 LY was coaches had more 7th graders than 8th graders; bad roster decisions; not great coaching
- Mel- asking about breaking up D1 teams; let each D1 coaches take 6-7 guys (core group); Park Ridge not big enough for 2 programs
- Jim- need sustainable, fun program; worried we will lose 100 kids
- · Jamie- worried CSL is weak competition
- Joe C- thinks our ship has sailed at UYFL; Pop Warner better option; can go older lighter or unlimited, Addison went there and happy; thinks staying together is better; doesn't like D2 rotating every couple plays
- Roy- we can finesse schedules w CSL; worried about kids not wanting to play football; says competition is good; better teams won't necessarily have to play weaker teams...We have a lot of influence
- Matt- we should vote on addl practice times for 7/8th grade teams

- Jeff- wants own D1 program with separate board
- John C- even out teams; can't keep D1 team together
- Jim- recommends go all in, consolidate our 2 travel programs for 2020 & go to CSL ; Leach seconds; Board approves 8-4
- Leach- need to adjust budget
- Garry- need to get message out to community; don't separate board

DIRECTOR REPORTS:

Cheer Report | Kristin Zabratanski

- Spring Season is POSTPONED
- Fall season most likely will be pushed back to July start rather than June

New Business | Jim Toulon

- Flag- Inserra opinion? It's all about supporting the community. Flag is really
 valuable. Parents see value of football as best team sport, parents like flag then
 maybe more likely to go to tackle; freshhman team- it was a shock. Maybe change
 messaging for 7/8th so they are aware of what a big transition it is to go from flag
 to tackle at HS level
- Rob- asks Mel to float to flag committee for messaging
- As more and more people from our community are being impacted by the coronavirus (COVID-19), we have of course paused our 2020 Spring programs, which included Competitive Cheer, Let it Fly QB-WR camp with Coach Bliss, and All American 7v7 opportunities, and are now practicing social distancing.
- Next Meeting: Thursday, April 9th 7-9pm @ TBD

All

Sometimes things get lost in emails so here goes my attempt at explaining something or some things that I do not believe should be aggravating anybody...I hope

- 1. All communication that goes to the database is run thru the board...as President on a personal note I believe I run as transparent or the most transparent board I have been involved in here yet I take a lot of shots from Board Members about not including them on things...thus we really try to include the board on these items
- I had already reached out to Rob and told him the event Jeff is proposing and the event Charlie is proposing need to be discussed together, and the way I read Rob's email simply says the events look synergistic...and should be discussed together
- 3. I already had mentioned to Jeff it should be on Thursdays agenda and then Jamie sent the email looking for a quick approval...this is the type of thing that unfortunately I do sometimes simply because I am so busy and deal with so much football stuff that aggravates the Board sometimes and I try not to do it...no event in the 20 plus years I have been active in the board was ever sponsored by or communicated to our database without first a full discussion at the Board Level in conjunction with an entire event plan
- 4. The fact that there are now potentially two events or series of events in addition to the potential combine and Flag Fest is just one more reason we need to coordinate
- 5. Lastly there is going to be a few proposals coming out as pre-reads as responses to the survey that are my proposals, were drafted by me ...and Joe's success was actually part of the impetus for one of the proposals...I know some may disagree with it and we can talk thru it, but it 100% was my proposal and very much driven off of watching some of what Joe has accomplished for the last 4 years that I have watched him coach...also-it was discussed and agreed to 2 or 3 years ago at a Board meeting and we simply never followed up on it

I also am spending a lot of time on balancing the D1 or Falcons UYFL (assuming that is where we stay this year which I think we both believe at this point is the likely choice) and D2 or Falcons North Suburban. Due to the nature of the number of tackle kids in our program our "House League" is unfortunately really a thing of the past in its old format (at least for now) and what we have is two programs that play "Travel" level football. We still have our D1 program playing against mainly strong competition, longer seasons, more practices and with playoffs etc. which appeals I believe to the constituency Jeff outlines below. Also I agree totally about the focus on two major items...

- 1. Finding , attracting and retaining more quality coaches
- 2. Finding coach the coach opportunities wherever possible

Lastly the balance between striper weights etc. is a big opportunity for kids to play tackle football taking into consideration their weight and body size and thus having these two opportunities are important for the future number of players at Maine South

We need to work together to deliver the best possible experience to all of these kids and in my experience...meetings, and phone calls tend to work more collaboratively than emails which can be taken out of text

I appreciate all that everyone on the board does and also am very thankful for all that you have done. However we simply need to try to work within the confines of the board on some of these issues

Exhibit No.

Rob,

The clinic that we are hosting will be top notch per usual, have any of the other events that we have sponsored been less than expected? If I need drill approvals by the Board, I think I will just call it Coach Kilburg's Free Clinic put it out on my FB page, Insta, and Twitter and move on from Board approval, this is absurd.

Instead of celebrating the D1 success that Joe (who won the 8th grade UYFL Championship), Jamie & I have brought back to "Travel" football, known for nearly 50 years in Park Ridge as "Falcons", this constant rub and verbal jabs from you are just childish and unnecessary...please stop. We went from 1 upset Falcons team when we re-engaged (Jamie & I played for the Falcons growing up) with the program to developing a Championship 8th grade team just three years later in the UYFL. What am I missing? Or maybe your whole goal is to get rid of Jamie, Joe and myself. Damn it Joe, why did you have to win that Championship?! Also worthy to remember, the Dads are supposed have fun in this journey too...you can't do this without dads.

Final Thought: D1 should be an **elite** team playing the most competitive yet safe schedule with a diverse and comprehensive roster including kids who want to compete at the highest level of competition. D1's scheduling goals I believe should be to find within a one hour's drive the best competition to develop these youth players... not "in earnest" but, actually develop them like we have. That was proven with Joe's Championship this year. Any Park Ridge implemented playing time requirements outside of the league's rules for D1 is inappropriate. That is why we have D2...not a single other so called "Travel" program has this implemented in Park Ridge. And certainly not one team that our D1 kids would be facing this type of play.

Final Final Thought: And before you insinuate that the youth players attending last night were all brought there by me, Joe, or Jamie...do some homework. And if the drills are so well known, why do you need Charlie and his coaches, you can run them... right?

I am trying my hardest to listen to every possible voice on how to improve this D1 offering. Park Ridge indeed needs a D1 offering or somebody will come in and create one, just like all of the youth basketball players in PR and now playing ICE. I think at a 50k high level most of these conversations and meetings have been productive but, more input should be valued from Joe, Jamie, and myself. I can only take so many kicks to the nuts Rob...enough is enough and let's start focusing on quality coaches to implement at all levels for D1 & D2.

This is exhausting and please don't reply...just talk when we see each other.

Fed up, Coach Kilburg

Hi Jamie,

Jim mentioned this to my last night. Jim also knows - and why I was at the Fieldhouse last night – that we are putting together a QB/WR throw-around with Charlie and his coaches over three weekends in April. So this sounds pretty synergistic!

I think we are discussing both on Thursday night at Board meeting. Maybe you should come with a few details on # and types of stations, volunteer firmed up, etc. (like we did a couple years ago with our Training with the Champions off-season) so we know what it is and how best to communicate/market it. Charlie's drills (all 3 of you guys know – saw more than a few youth players there last night) are pretty well-known given what he does (for 25 yrs) with his guys, and just want to get open/fair group of kiddos together in an age-appropriate group. Of course, not a good fit for my Tommy...

Subject: RE: D1 & D2 Budgets

Jamie

Thanks for all your work on this

Some answers from my perspective below

- 1- I believe League Fees D2 includes refs and trainers and is for 10 teams
- 2- Helmets and shoulder pads-younger D2 kids have been using the older shoulder pads

Some answers on your estimates

- 1- Legal-no this attorney was hired regarding Knights/Severino and if/we need him we will continue with him...cost may be zero but has averaged 2/league participant in past 2 years
- 2- Insurance-Lou has handled insurance for the program-you can check with him I am not certain that the number is correct, but remember that is insurance for special events also
- 3- What is question on HUDL
- 4- Homecoming other-roses and not certain what else
- 5- Accounting I believe will be \$3 participant...Board vote C and C \$3k/year.so yes change to \$3
- 6- Line 27-Ops Manager Allocation for D1 Likely \$2,000 divided by 40 participants...or \$50 per participant...It is this type of thing that when we budget causes us problems...Katies costs will go up in 2020...We are using her more and I cannot run this think any longer without more help...if you are down to two teams and she has to be there for equipment... Homecoming for Flowers...Equipment return...handle the registrant process for UYFL, then that is basically a fair allocation....That in and of itself is a major issue for the past two years as an example of things we have eaten in the past but do not have funds to eat any longer. And in all fairness a promise that we will handle some of this going forward cannot be taken into consideration for 2020 budget simply due to performance in the past few years, and the sheer fact that between Leach/Hoffmann and I we are simply out of capacity. If I do not have funds for the help needed and we spend them we will absolutely run out of money sometime in September-this is why February meeting is so crucial
- 7- Line 28...Cannot look at what is in the Shed-we need to look at all tires/dummies/sleds etc. and allocate costs over lifetimemeaning build reserve or when we need a sled next time or sled pads we will not have any money-number is fairly accurate I believe when looking at all equipment like that. These are reasonable costs when allocating needs against resources against history
- 8- There is a \$2/participant assuming average number of participants over past 10 years and average cost to maintain Hinkley, PP buying shelves and building, varnishing floors etc. Most of the work was done by a handful of volunteers ant no cost... Leach...Hoffmann...Myself and others, but we have to account of the fact that PD can move us at any time like they did and we pay
- 9- We need new boxes which are going to costs several thousand as an example

Hope this helps

Jim

Guys – this is my first deep dive into these budgets, so some of my assumptions / questions could be off and will need further guidance from you guys. I meet with Rob so I have a frame a reference, but you guys have the experience on what makes up these line items over just the descriptions noted.

For D1 – I highlighted yellow all the line items I changed or have questions on. I am still coming up with \$451 Per Child with no contingency, which I think we should add at least 5%.

For D2 – Did no change cells as they were protected, but same issues / concerns apply like D1.

Two other items to note:

1. League Fees seem really high for D2 / CSYL - \$10,500 or \$56 Per Player vs. \$500 for UYFL or \$7.50 Per Player. Is this number accurate? Do they pay for referees and trainers?

2. I would think equipment costs should be the same, with the exception of maybe helmets, for D1 & D2, but that is not the case. Am I missing something here? Also, my opinion is that these new jerseys will most likely last 3 seasons...maybe 4, but for sure not 5.

Let me know your thoughts...Thanks

Trademark Act Section 2(d) bars registration of an applied-for mark that is so similar to a registered mark that it is likely consumers would be confused, mistaken, or deceived as to the commercial source of the goods and/or services of the parties. *See* 15 U.S.C. §1052(d). Likelihood of confusion is determined on a case-by-case basis by applying the factors set forth in *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 1361, 177 USPQ 563, 567 (C.C.P.A. 1973) (called the "*du Pont* factors"). *In re i.am.symbolic, llc*, 866 F.3d 1315, 1322, 123 USPQ2d 1744, 1747 (Fed. Cir. 2017). Only those factors that are "relevant and of record" need be considered. *M2 Software, Inc. v. M2 Commc 'ns, Inc.*, 450 F.3d 1378, 1382, 78 USPQ2d 1944, 1947 (Fed. Cir. 2006) (citing *Shen Mfg. Co. v. Ritz Hotel Ltd.*, 393 F.3d 1238, 1241, 73 USPQ2d 1350, 1353 (Fed. Cir. 2004)); *see In re Inn at St. John's, LLC*, 126 USPQ2d 1742, 1744 (TTAB 2018).

Although not all *du Pont* factors may be relevant, there are generally two key considerations in any likelihood of confusion analysis: (1) the similarities between the compared marks and (2) the relatedness of the compared goods and/or services. *See In re i.am.symbolic, llc*, 866 F.3d at 1322, 123 USPQ2d at 1747 (quoting *Herbko Int'l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1164-65, 64 USPQ2d 1375, 1380 (Fed. Cir. 2002)); *Federated Foods, Inc. v. Fort Howard Paper Co.*, 544 F.2d 1098, 1103, 192 USPQ 24, 29 (C.C.P.A. 1976) ("The fundamental inquiry mandated by [Section] 2(d) goes to the cumulative effect of differences in the essential characteristics of the goods [or services] and differences in the marks."); TMEP §1207.01.

Comparison of the Marks

Marks are compared in their entireties for similarities in appearance, sound, connotation, and commercial impression. *Stone Lion Capital Partners, LP v. Lion Capital LLP*, 746 F.3d 1317, 1321, 110 USPQ2d 1157, 1160 (Fed. Cir. 2014) (quoting *Palm Bay Imps., Inc. v. Veuve Clicquot Ponsardin Maison Fondee En 1772*, 396 F.3d 1369, 1371, 73 USPQ2d 1689, 1691 (Fed. Cir. 2005)); TMEP §1207.01(b)-(b)(v). "Similarity in any one of these elements may be sufficient to find the marks confusingly similar." *In re Inn at St. John's, LLC*, 126 USPQ2d 1742, 1746 (TTAB 2018) (citing *In re Davia*, 110 USPQ2d 1810, 1812 (TTAB 2014)), *aff'd per curiam*, 777 F. App'x 516, 2019 BL 343921 (Fed. Cir. 2019); TMEP §1207.01(b).

When comparing marks, "[t]he proper test is not a side-by-side comparison of the marks, but instead whether the marks are sufficiently similar in terms of their commercial impression such that [consumers] who encounter the marks would be likely to assume a connection between the

Case: 1:20-cv-02244 Document #: 97-4 Filed: 09/23/21 Page 125 of 288 PageID #:2083

parties." *Cai v. Diamond Hong, Inc.*, 901 F.3d 1367, 1373, 127 USPQ2d 1797, 1801 (Fed. Cir. 2018) (quoting *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1368, 101 USPQ2d 1713, 1721 (Fed. Cir. 2012)); TMEP §1207.01(b). The proper focus is on the recollection of the average purchaser, who retains a general rather than specific impression of trademarks. *In re Inn at St. John's, LLC*, 126 USPQ2d 1742, 1746 (TTAB 2018) (citing *In re St. Helena Hosp.*, 774 F.3d 747, 750-51, 113 USPQ2d 1082, 1085 (Fed. Cir. 2014); *Geigy Chem. Corp. v. Atlas Chem. Indus., Inc.*, 438 F.2d 1005, 1007, 169 USPQ 39, 40 (C.C.P.A. 1971)), *aff'd per curiam*, 777 F. App'x 516, 2019 BL 343921 (Fed. Cir. 2019); TMEP §1207.01(b).

Marks may be confusingly similar in appearance where similar terms or phrases or similar parts of terms or phrases appear in the compared marks and create a similar overall commercial impression. *See Crocker Nat'l Bank v. Canadian Imperial Bank of Commerce*, 228 USPQ 689, 690-91 (TTAB 1986), *aff'd sub nom. Canadian Imperial Bank of Commerce v. Wells Fargo Bank, Nat'l Ass'n*, 811 F.2d 1490, 1495, 1 USPQ2d 1813, 1817 (Fed. Cir. 1987) (finding COMMCASH and COMMUNICASH confusingly similar); *In re Corning Glass Works*, 229 USPQ 65, 66 (TTAB 1985) (finding CONFIRM and CONFIRMCELLS confusingly similar); *In re Pellerin Milnor Corp.*, 221 USPQ 558, 560 (TTAB 1983) (finding MILTRON and MILLTRONICS confusingly similar); TMEP §1207.01(b)(ii)-(iii). In this case, applicant's mark and the ten cited registered mark all contain a substantially similar falcon design which resembles a letter "F".

Comparison of the Goods and/or Services and Channels of Trade

The goods and/or services are compared to determine whether they are similar, commercially related, or travel in the same trade channels. *See Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369-71, 101 USPQ2d 1713, 1722-23 (Fed. Cir. 2012); *Herbko Int'l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1165, 64 USPQ2d 1375, 1381 (Fed. Cir. 2002); TMEP §§1207.01, 1207.01(a)(vi).

The compared goods and/or services need not be identical or even competitive to find a likelihood of confusion. *See On-line Careline Inc. v. Am. Online Inc.*, 229 F.3d 1080, 1086, 56 USPQ2d 1471, 1475 (Fed. Cir. 2000); *Recot, Inc. v. Becton*, 214 F.3d 1322, 1329, 54 USPQ2d 1894, 1898 (Fed. Cir. 2000); TMEP §1207.01(a)(i). They need only be "related in some manner and/or if the circumstances surrounding their marketing are such that they could give rise to the mistaken belief that [the goods and/or services] emanate from the same source." *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369, 101 USPQ2d 1713, 1722 (Fed. Cir. 2012) (quoting *7-Eleven Inc. v. Wechsler*, 83 USPQ2d 1715, 1724 (TTAB 2007)); TMEP §1207.01(a)(i).

Determining likelihood of confusion is based on the description of the goods and/or services stated in the application and registration at issue, not on extrinsic evidence of actual use. *See In re Detroit Athletic Co.*, 903 F.3d 1297, 1307, 128 USPQ2d 1047, 1052 (Fed. Cir. 2018) (citing *In re i.am.symbolic, llc*, 866 F.3d 1315, 1325, 123 USPQ2d 1744, 1749 (Fed. Cir. 2017)).

Attached to this Office action is evidence retrieved from the Internet which indicates that professional sport leagues and teams often sponsor youth and high school sports programs. Also attached to this Office action is evidence retrieved from the Internet which establishes that the same entity commonly sells clothing and jewelry markets the goods and/or services under the same mark. Thus, applicant's and registrant's goods and/or services are considered related for likelihood of confusion purposes. *See, e.g., In re Davey Prods. Pty Ltd.*, 92 USPQ2d 1198, 1202-04 (TTAB 2009); *In re Toshiba Med. Sys. Corp.*, 91 USPQ2d 1266, 1268-69, 1271-72 (TTAB 2009).

In addition, decisions regarding likelihood of confusion in the clothing field have found many different types of apparel to be related goods. *Cambridge Rubber Co. v. Cluett, Peabody & Co.*, 286 F.2d 623, 624, 128 USPQ 549, 550 (C.C.P.A. 1961) (women's boots related to men's and boys' underwear); *Jockey Int'l, Inc. v. Mallory & Church Corp.*, 25 USPQ2d 1233, 1236 (TTAB 1992) (underwear related to neckties); *In re Melville Corp.*, 18 USPQ2d 1386, 1388 (TTAB 1991) (women's pants, blouses, shorts and jackets related to women's shoes); *In re Pix of Am., Inc.*, 225 USPQ 691, 691-92 (TTAB 1985) (women's shoes related to outer shirts); *In re Mercedes Slacks, Ltd.*, 213 USPQ 397, 398-99 (TTAB 1982) (hosiery related to trousers); *In re Cook United, Inc.*, 185 USPQ 444, 445 (TTAB 1975) (men's suits, coats, and trousers related to ladies' pantyhose and hosiery); *Esquire Sportswear Mfg. Co. v. Genesco Inc.*, 141 USPQ 400, 404 (TTAB 1964) (brassieres and girdles related to slacks for men and young men).

In summary, the similarities between the marks and the goods and/or services of applicant and the registrant are so great as to create a likelihood of confusion.

The overriding concern is not only to prevent buyer confusion as to the source of the goods and/or services, but to protect the registrant from adverse commercial impact due to use of a similar mark by a newcomer. *See In re Shell Oil Co.*, 992 F.2d 1204, 1208, 26 USPQ2d 1687, 1690 (Fed. Cir. 1993). Therefore, any doubt regarding a likelihood of confusion determination is resolved in favor of the registrant. TMEP §1207.01(d)(i); *see Hewlett-Packard Co. v. Packard Press, Inc.*, 281 F.3d 1261, 1265, 62 USPQ2d 1001, 1003 (Fed. Cir. 2002); *In re Hyper Shoppes (Ohio), Inc.*, 837 F.2d 463, 464-65, 6 USPQ2d 1025, 1026 (Fed. Cir. 1988).

Although the examining attorney has refused registration, applicant may respond to the refusal to register by submitting evidence and arguments in support of registration. If applicant chooses to respond to the refusal to register, applicant must also note the following remaining issues.

REMAINING ISSUES

Prior Pending Application

The filing date of pending U.S. Application Serial No. 88/580216 precedes applicant's filing date. See attached referenced application. If the mark in the referenced application registers, applicant's mark may be refused registration under Trademark Act Section 2(d) because of a likelihood of confusion between the two marks. *See* 15 U.S.C. §1052(d); 37 C.F.R. §2.83; TMEP §§1208 *et seq.* Therefore, upon receipt of applicant's response to this Office action, action on this application may be suspended pending final disposition of the earlier-filed referenced application.

In response to this Office action, applicant may present arguments in support of registration by addressing the issue of the potential conflict between applicant's mark and the mark in the referenced application. Applicant's election not to submit arguments at this time in no way limits applicant's right to address this issue later if a refusal under Section 2(d) issues.

Disclaimer

A "disclaimer" is a statement in the application record that an applicant does not claim exclusive rights to an unregistrable component of the mark. *See Schwarzkopf v. John H. Breck, Inc.*, 340 F.2d 978, 979-80, 144 USPQ 433, 433 (C.C.P.A. 1965); TMEP §1213. A disclaimer does not physically remove the disclaimed matter from the mark or otherwise affect the appearance of the mark. *See Schwarzkopf v. John H. Breck, Inc.*, 340 F.2d at 979, 144 USPQ 433, 433 (C.C.P.A. 1965); TMEP §1213.

Applicant must disclaim the wording "PARK RIDGE TRAVEL" because it is merely descriptive of an ingredient, quality, characteristic, function, feature, purpose, or use of applicant's goods and/or services. *See* 15 U.S.C. §1052(e)(1); *DuoProSS Meditech Corp. v. Inviro Med. Devices, Ltd.*, 695 F.3d 1247, 1251, 103 USPQ2d 1753, 1755 (Fed. Cir. 2012); TMEP §§1213, 1213.03(a). Applicant operates a travel football team in Park Ridge, Illinois. See attached evidence. For this reason, the wording "PARK RIDGE TRAVEL" merely describes characteristics of the goods and/or services and must be disclaimed.

Applicant may respond to this issue by submitting a disclaimer in the following format:

No claim is made to the exclusive right to use "PARK RIDGE" for International Class 25 and "PARK RIDGE TRAVEL" for International Class 41 apart from the mark as shown.

For an overview of disclaimers and instructions on how to provide one using the Trademark Electronic Application System (TEAS), see the Disclaimer webpage.

If applicant does not provide the required disclaimer, the USPTO may refuse to register the entire mark. *See In re Stereotaxis Inc.*, 429 F.3d 1039, 1041, 77 USPQ2d 1087, 1089 (Fed. Cir. 2005); TMEP §1213.01(b).

TELEPHONE OR E-MAIL FOR CLARIFICATION

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06.

The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

OUR GROUP

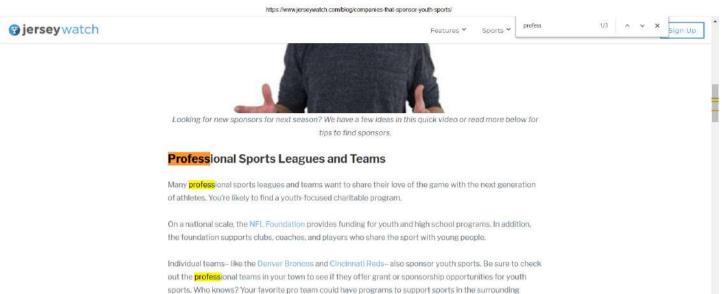

We are a group of committed volunteers, experienced coaches, well versed athletes and active community members who have joined forces to create a well-balanced, safe and competitive football league for young athletes looking to play competitive tackle football. Our coaches are trained, certified, experienced and qualified. Our athletes range from 6th to 8th grade and bring different skill levels and experience to the playing field, all with a desire to play against some of the best travel youth football teams in the region. We are a try out based program made for the serious athlete who's willing to learn, work hard and advance to the next level.

OUR GOALS

Football is the ultimate team sport. Our number one goal is for kids to have fun and stay safe while learning that commitment, hard work, sportsmanship and the ability to learn will lead to success on and off the football field. We strive to build camaraderie and create opportunities for all kids to develop and find success, as well as have a sense of pride in representing their community.

Docket/Reference Number:

The USPTO has assigned design search codes to your application (U.S. serial number: 88850573).

Design search codes assigned to your application:

03.15.02 - Condors 03.15.02 - Falcons 03.15.02 - Hawks 03.15.02 - Vultures 21.03.18 - Australian footballs 21.03.18 - Elliptical shaped balls 21.03.18 - Footballs 21.03.18 - Rugby balls

If you would like to request that we add or delete a design search code, please email <u>TMDesignCodeComments@USPTO.GOV</u>. Include your name, application serial number, a list of design search codes you would like to add or delete, and a brief justification. We will process your request within two business days. If we approve your request, the updated list of design search codes will appear in our Trademark Status and Document Retrieval (TSDR) database, accessible at https://tsdr.uspto.gov/, under the "Mark Information" tab.

Design search codes are numerical codes we assign to the prominent features of your mark's design. We call these features "design elements." A design element can be any component of your mark that is not a word, such as a depiction of a star or a flower. Assigning design search codes to your mark helps us more effectively search our database for marks that may conflict with yours. Design search codes have no legal significance and will not appear on the registration certificate.

For more information about design search codes, including why and how we use them and information on adding or deleting design search codes from your application, please visit our design search code webpage at http://www.uspto.gov/DesignSearchCodes. Hi everyone,

This is going to our 7th grade Falcons team from last year. I hope you and your families are all well and staying healthy during these crazy times. As I have been trying to respond to all the emails and texts over the past few weeks, I thought it might helpful to provide some clarity by sending out the facts, in my opinion, regarding Falcons (D1) Tavel football.

A few months back, the PRFB 12 member volunteer board, voted 7-5 to no longer have the Falcons D1 travel program that has been offered in this community for over 50 years. There were many hours of meetings, calls, texts to either delay the vote or to try to find a middle ground. PRFB will continue to offer a flag program, a cheer program and have a blended D2 former house league) and D1, playing in the same league as last years house league teams played in. Within one week after the vote, 5 board members resigned. Myself, Jeff Kilburg, Lou Karnezis, Jamie Purcell and Joe Capesious (8th grade coach that just won the UYFL championship).

The resigned board members, without Joe, felt strongly that the community of Park Ridge should continue to have a D1 travel football offering like it has for the past 50 + years and so we started the **Park Ridge Travel Falcons**. I was a financial sponsor of PRFB to support the Falcons program and, as my son Timmy wants to play the most competitive D1 football, I decided to support Park Ridge Travel football as it is the continuing D1 program. Jeff Kilburg will remain the Director of the D1 Travel Falcons.

While there is much varying conversation regarding the programs, it can be simplified to the following: If your son wants to play D1 competitive travel Falcons football, the PR Travel Falcons is the best choice. If you son wants to play a blended D2/D1 program with traditional house league rules (rotate every two plays, etc), then the PRFB travel house league is the right program.

<u>Neither program is better than the other</u>, it is up to our sons and us to choose the program they would like to participate in. There will be experienced non parent and experienced parent coaches in both leagues.

Our website is <u>www.prtravelfalcons.com</u> and it has a great FAQ section for specific details about our program, coaches, experience and competition.

Registration is open for the 2020 season and details regarding how the season will play out in light of the pandemic will be coming soon. As we have significant sponsorship of the Park Ridge Travel Football (CBRE, Horizon Therapeutics, Jamie Purcell and me), we will be providing the highest level of safety and technology with all new equipment, uniforms etc. and offering play at \$350 per participant.

After vetting many different travel league options in Chicagoland, we ultimately decided on <u>Chicagoland Pop Warner</u>. Their website is <u>www.chicagolandpopwarner.com</u>. This league offers great competition and focuses on safety as well as academics. It varies slightly from the UYFL competition that we have played the past few years as majority of those UYFL teams are designated as Regional All Star Teams and that league, as you know, had many other issues. Pop Warner is a community based competitive travel league, like Park Ridge, currently with 42 community members. To compare/contrast Pop Warner, it helps to look at other sports in Park Ridge: For Basketball Comparison – House (PR Park District option) vs. Travel Jr. Hawks (Pop Warner) vs. AAU teams (UYFL)

For Baseball Comparison – House (PRPD option) vs. Warriors (Pop Warner) vs. Top Tier Club Team (UYFL)

For Soccer Comparison – House (PRPD option) vs. PRSC Premier (Pop Warner) vs. FC1974 – Libertyville (UYFL).

We aspire to continue to work alongside with PRFB with the ultimate goal of finding a home for every child that wants to play football (flag, travel house and travel) and feel there should continue to be options for everyone just like all the other sports in this community.

Just to be clear – there are NO feeder football teams. Everyone can choose to play at the high school level regardless of what experience or lack thereof upon entering high school. This offseason, once we are cleared to commence athletic activities, we will be hosting a number of training combines at the Rosemont Dome. EVERYONE, regardless of where your child played last year, or will play this coming Fall, is welcome!

Evaluations will also follow later in the summer (again pending the pandemic) and we invite everyone in 6th to 8th who wants to play tackle football to come out. You can sign up to be notified of such events at <u>www.prtravelfalcons.com</u>. Please note you are not registering or committing to anything but, rather signing up to be notified of our combine events.

As a significant supporter of PRFB, I am proud to be a part of the new **Park Ridge Travel Falcons** organization, which will seamlessly continue to offer D1 Falcons football to our Park Ridge community.

If anyone wants to discuss further, please give me a call on my cell at 847.772.0050 or send me an email or when this pandemic is over, we can meet live.

Tim

1	and that's why we stayed in it.
1 2	Q. Why did you call your team the Falcons?
3	A. We didn't. We called the team the Park
4	Ridge Travel Falcons because they are the historic
5	(Travel Falcon program and that's) what the name is.
6	Q. And when you started the Park Ridge Travel
7	Falcons, you could have used a different name other
8	than the Falcons. Correct?
9	A. Yes.
10	Q. And did you know that if you had used a

13	MR. WIDEIKIS: Object to form.
14	A. This is about personal hatred. This has

16	Q. Mr. Walbert, did you know if you went and

18	litigation would end?
19	A. No, I do not believe that.
20	Q. I'm representing to you that that's true.
21	A. Well, you have your own belief.
22	Q. Well, I mean, I also know my client's.
23	But the other thing is, previously, did
24	you know that there was another team created called

We follow strict safety guidelines as set forth by the Illinois High School Sports Association with minimum live contact and the official rules of Pop Warner Football, which mandates kids compete with others of similar age and size. Practices also follow a Heads-Up Football Training approach, with tested data that show far less injuries on the field. Our games are played once a week and require some area travel. We prepare our football players to be ready for high school football, athletics and beyond.

Our athletes range from 6th to 8th grade and bring different skill levels and experience to the playing field, all with a desire to play against some of the best D1 travel youth football teams in the region.

I'm so upset right now. I signed my son up to play Park Ridge Falcons football this spring ,12u spring football season with his friends. We are new to the area and wanted him to play for Park Ridge Falcons. Is there two different Falcons football organizations? I'm so upset because I think I was decived and I registered him for a different league. I believe that the season is about to start. Is there any way to register him and get him on the correct team? I'm beyond upset that there is two teams in the same town with the same name. That is completely unacceptable and I do not want him to play on the other team.

Please let me know if there is anything that can be done to get him to join your team.

Thank you, Kristal Wiorski

Message Body:

We moved to Park Ridge in October 2020. I recently reached out to a Falcons football team. Inquiring about flag football for my 11yr old son for spring 2021. They told me they only did tackle football & they didn't know of any program in the Park Ridge area that did flag football. I was unaware that there are two falcons teams in Park Ridge. Extremely confusing. I know it's not your fault. Anyways I'd love information for my 5yr old son & 11yr old son to play flag football in the fall. Thank you, Amanda Coloia 773.939.0067

My son is interested in playing tackle football but I have some questions. He turned 12 in June and is 78lbs now. He has played some flag football but never tackle football. Are there multiple teams based on ability at each age level? How many practices are there every week and approximately what times are they? My son plays travel hockey so we would be trying to avoid conflicts. There seem to be two website for the Falcons program <u>www.prtravelfalcons.com</u> and <u>www.parkridgefootballandcheer.com</u> and they have different rates, one is \$295 and the other is \$495. What is the difference?

Thank you for your time,

Re: Defamatory Statements & Accounting

Dear Mr. Leach:

Please forward this letter to your attorney immediately.

The undersigned represents Tim Walbert, James Purcell, Jeff Kilburg, and Lou Karnezis (collectively, the "Park Ridge Travel Falcons"), and we are writing to address a very serious issue. As you know, certain of my clients previously sat on the Park Ridge Football Board, along with you. During that time, there were disagreements as to how to handle the travel football team. Based on that disagreement, my clients resigned from the Park Ridge Football Board to establish a separate youth travel football team: the Park Ridge Travel Falcons. The Park Ridge Travel Falcons have filed articles of incorporation, approved bylaws, applied to become a 501(c)(3) not for profit, and applied for a trademark related to the Falcons mascot, currently under review by the USPTO.

Based on our review of material provided, you, while acting in a representative capacity for either Park Ridge Football or the City of Park Ridge and its Park District, made defamatory statements regarding the Park Ridge Travel Falcons. Specifically, on March 27, 2020, you distributed an e-mail to numerous Park Ridge parents stating that the Park Ridge Travel Falcons consisted of "privileged men," that the Park Ridge Travel Falcons engaged in "poor coaching" or "daddy ball," and that a former coach in the Park Ridge Travel Falcons was suspended for a physical altercation. Such statements are not true and are defamatory.

This improper conduct did not end with this defamatory e-mail. In addition, you sent a text message to Messrs. Purcell and Kilburg stating: "Saw your post Jeff - despite blocking or removing Hallie as a FB friend. While you both only care about your own egos/kids - and both enjoy getting kicked out of youth games and/or pushing coaches on Wilson Field, at least properly resign before going rogue. Then let the fireworks begin! $\triangle \textcircled{G}$."

Robert Leach April 3, 2020 Page 2

Finally, Mr. Walbert and Horizon Therapeutics made a generous donation of \$50,000 to the City of Park Ridge to support its youth football program in 2019, which my clients have reason to believe was not used for its intended purpose.

It is clear that your continued statements and conduct mean one thing: you are not seeking to promote youth sports in your community, but rather improperly defaming, intimidating, and interfering with the Park Ridge Travel Falcons. The Park Ridge Travel Falcons cannot allow these actions to continue. As demonstrated by the enclosed draft complaint, your actions and statements may result in multiple civil claims, including defamation and equitable accounting.

Despite your improper conduct, it is my clients' belief that the Park Ridge Park District Board and others with positions of authority in your community will do the right thing to promote youth sports. Accordingly, rather than proceeding with the filing of the enclosed draft complaint, the Park Ridge Travel Falcons demand the following action to occur within seven (7) business days:

- Mr. Leach's removal from the Park Ridge Football Board;
- Mr. Leach's removal from the Park Ridge Park District Board;
- A full accounting of the \$50,000 donation from Tim Walbert and Horizon Therapeutics made in 2019;
- Park Ridge Football Board or the Park Ridge Park District Board send an e-mail to the same recipients of the March 27, 2020 e-mail, apologizing for the false and inappropriate personal attacks; and
- Written recognition that the Park Ridge Travel Falcons have exclusive use of the "Falcons" name, based upon the trademark application.

At this time, our investigation of these activities is ongoing. We encourage you and the Park Ridge Park District Board to immediately take all steps necessary to identify, retain, and preserve all data in its possession or under its control, including electronic data, that pertains to its communications with people regarding Mr. Leach's statements about the Park Ridge Travel Falcons. To be clear, such data includes not only paper copies, but also emails, text messages, social media posts and other electronic documents, as well as backed-up, deleted, hidden, or orphaned data.

FALL 2020 RELATED FAQ

FREQUENTLY ASKED QUESTIONS

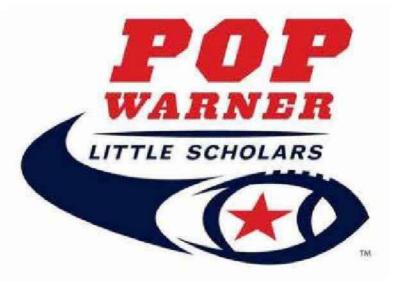

Where will we play our home games? In a normal season, we would play home games at Maine South High School. During this alternate season, we will play all games in Crown Point, IN.

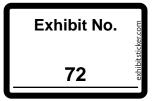

What teams will we play in Crown Point? We will play many of the same Chicagoland Pop Warner teams that we would be playing normally here in Park Ridge.

What will practices look like at the Barry Rec Center in Rosemont? Players will continue to have a warm up and conditioning period, and then will be in full equipment for non-contact drills/practice in order to abide by all State of Illinois and Pop Warner rules.

What days will we practice? Tuesday, Wednesday and Fridays from 5:30 – 7:30pm as well as Saturdays from 9:00 – 11:00 am. Practice schedules are subject to change.

What options are available for my player? Either a player is invited to play on a travel team (and will be issued a uniform, continue to condition and play games each week) OR a player is not invited to a team but instead asked to continue to work out each week to condition/develop skills (and will not be issued a uniform and does not

Players who do not make a team in the fall have the opportunity to be reevaluated and possibly make a team for the spring season.

If my child makes a Fall Team, do they automatically make the Spring Team and do I need to re-register and pay another registration fee for the Spring Team? If you were evaluated in the fall and made a team, you automatically make the spring team. The one time registration fee of \$250 covers the fall season, the spring season, all practices fees and uniform use (they must be returned). There is no need to reregister assuming your player will be playing both seasons.

What if my player makes the fall team but they are going to play another sport in the spring and therefore will only play in the fall? There is no reduction in fees if you choose to play only in the fall season, and forego the spring season, as we still have to cover costs for uniforms, practice facility fees and coaching. The spring season is considered a "bonus season" that does not require additional costs to fall players.

What if my child is asked to continue conditioning and does not make a fall team? What will that conditioning option look like? Your child will be able to come to the first 45 minutes of the Tuesday, Wednesday and Friday practices (Saturdays are not a conditioning day) and will do cardio, strength and plyometric training with our strength and conditioning coach at Barry Rec Center with all of the teams.

If my child does not make a team and does not want to do conditioning, will my registration fee be refunded? Yes absolutely, if your child does not make a team and they do not want to continue conditioning, you will be refunded the entire \$250 registration fee. We just ask that a decision be made either way by August 15.

If my child did not make a fall team, can they be reevaluated for the spring team and play games in the spring? Yes! If your child was not placed on a travel team for the fall season, they have the opportunity to continue conditioning and be reevaluated in the spring.

If my child makes a fall team and we decide to opt out due to COVID-19 or other concerns, do we get a registration refund? If you opt out prior to the first game, we will refund your fee in full. If you make a team, but choose to opt out any time after the first game, you will NOT receive a full refund of the \$250 registration fee.

What if my child makes a team but Pop Warner ends the season due to COVID-19 or other concerns OR if we as a team have to opt out of playing for some reason, do I get a full registration refund? We understand the fluid nature of the current COVID-19 situation, however we cannot offer a refund once the season begins.

I don't feel comfortable having my child play football games yet given the current COVID-19 situation, so can my child just play in the spring? At this time, we are offering players the options to condition only in the fall or to play games on a fall team. Everyone who made a fall team automatically makes a spring team and there will be additional spring evaluations for anyone else who is interested in playing games at that time. The spring season is a bonus season and subject to change.

Is there minimum playing time? We are a competitive evaluation based program for the competitive player. But we also want as many kids as possible to play the sport they love, so we have chosen to keep team sizes small to allow for maximum playing time for as many players as possible. We have also chosen to offer conditioning for those that opt out to help find a place for all interested athletes to continue to learn, develop skills and gain reps in the game of football. We see potential in all players and hope to foster the love of the game. Pop Warner has a **Minimum Mandatory Play**

Rule(MPR) for all Pop Warner teams. Teams with 16-25 players play a minimum of 10 plays per game. Teams with 26-30 players play a minimum of 8 plays per game and teams with 31-35 players have a MPR of 6 plays per game. We have a specified coach for each team who will track playing time for each player during each game.

What safety provisions will be in place at the travel games? We take your child's safety seriously and will ensure we follow all appropriate rules and guidelines as set forth by Pop Warner. Please check the Pop Warner website for Game Day Safety Protocols, www.popwarner.com

What safety equipment will be provided to my child? Your travel team player will be issued standard football pants, uniform jersey, shoulder pads and helmet. Your child needs to bring a face mask to every practice and all games and should bring their own water bottle, properly labeled with their name. Coaches and sideline staff will wear face masks and PRTF staff are responsible for wiping down all equipment daily. We also recommend players wear gloves during practice and play.

What are the teams and when do I find out if my child has made one? After the mandatory parent information meeting, you will be asked to complete a declaration form stating what option you would like to have your child participate in (fall travel, spring travel and/or conditioning only), an email will be sent to you regarding what team your child has been placed on and the next step. If you have not yet registered and paid the program fee, you will need to do so in order for your child to continue to condition/practice and pick up their uniform. Teams are made according to the age/weight matrix set and managed by Pop Warner.

Do you offer scholarships? If there is need or hardship, we will find a way to make football available for every child who is interested in our program. Please reach out to one of our board members or coaches to find out more.

Case: 1:20-cv-02244 Document #: 97-4 Filed: 09/23/21 Page 249 of 288 PageID #:2207 What drills would prepare my child for games given that Illinois practice is noncontact? We practice using USA Football guidelines and the Heads Up Football program which limits contact anyway but during the current pandemic, we are limited to NO contact at all, therefore we use drills to increase speed, improve technique and develop footwork and will be using sleds, pads and shields to simulate contact and prepare our players for game days.

Fair share could be considered time or financial contribution. Examples of work-related items are league directors, field set up, attendance and help at offseason events, registrations, committee work, equipment handling, refs, sportsmanship awards, pictures, ordering, sign distribution and pick up to name a few. - iii. Our operations manager position and equipment manager positions have become critical to the effectiveness of running the program. As time passes, we believe there may be years where those positions are best filled by a board member and years when they may not be. In both cases based on the need of the organization we may find that we may need to pay the individuals performing those duties (within each year's proposed budget) in order to be able to procure the right person for the role. We do not want to exclude those individuals from Board Membership (provided they may be the right candidate to sit on the board); simply because they are being paid, therefore with a 2/3 vote requirement the board may pay a director who is performing those roles, provided we first attempt to fill the role with a non-paying volunteer. This amendment does not change the underlying theory that in essence Board Member's may not financially profit from their experience on the Board and in general our first priority for positions (where practical) is volunteer work.
- j. Section X Removal
 - i. It shall be cause for removal if any elected Director fails for any reason to attend less than 50% of the regular meetings of the board within a calendar year. Such removal shall occur automatically without need for further action by the Board. (A Board Member or Director who has been with the program for over 15 years and is still a contributor member or director may be exempt from the 50% of meetings rule.)

 - k. Section I Elected Officers
